Lr. Rc.No. 103/GDCM-Hostel/2022, dated:11.10.2022

Sir,

Sub: GOVERNMENT DEGREE COLLEGE (MEN), SRIKAKULAM -  
Construction of new hostel building in the college - Detailed  
Estimates - Requested - Reg.

Ref: 1. CCE's Memo No. 58/O.P.II/2022, dated: 04.05.2022.

2. Estimates from the Deputy Executive Engineer, Roads & Buildings  
Department, Srikakulam.

# # #

In obedience to the reference 2<sup>nd</sup> cited, I submit that the present student strength of the college is nearly 2000. The admissions are increasing year by year due to the developmental activities taken up in the college. Majority of the students are from the very poor and backward stream comes from very far of villages in the District. They are staying in the welfare hostels which are far away from the college. Due to lack of attached hostel, the admissions are not upto the mark of expectation every year. If the hostel is provided there is ample scope for increase of admissions.

I submit that in view of the instructions issued in the reference 2<sup>nd</sup> cited, the Deputy Executive Engineer, Roads & Buildings Department, Srikakulam was requested to provide estimates for construction of new Men's Hostel building in Government Degree College (Men), Srikakulam and for dismantling of the old men's hostel which is not in use. Accordingly, the Deputy Executive Engineer, Roads & Buildings Department has provided the estimates for the following two items of expenditure.

Sl. No.	Item of proposed work	Estimated cost (In Lakhs)
1	Construction of Hostel building for Men	1200.00
2	Dismantling of old vacated mens' Hostel	25.00

(PTO)

Therefore, while enclosing herewith the above estimates along with the fitness certificate of the old hostel building provided by the R&B Department, I request you to accord necessary permission and administrative sanction for dismantling the old hostel building which is not in use since 2017 and also construction of the hostel building in the land available in Government Degree College (Men), Srikakulam.

Thanking you,

Yours faithfully,

Srikakulam district**

**Estimate Rs. 1200.00 Lakhs**

DISTRICT	:	SRIKAKULAM
CIRCLE	:	SRIKAKULAM
DIVISION	:	SRIKAKULAM
SUB DIVISION	:	SRIKAKULAM
BUILDING SECTION	:	SRIKAKULAM

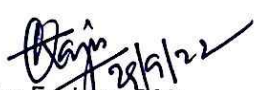

Specification Report to accompany the Proforma Estimate for the work **"Construction of new Mens Hostel building at Govt. Degree College in Srikakulam in Srikakulam district."**

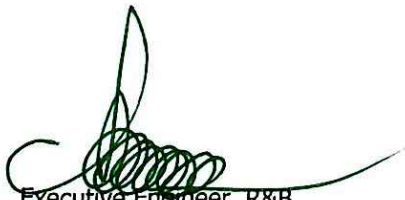

**ESTIMATE AMOUNT : Rs. 1200.00 Lakhs**

The Existing degree college mens Hostel Building is constructed more than 60 years back and it is vacated approximately 6 years back due to the buildings is dilapidated condition, which may collapse at any time, As such, it is opined that there is every need and justification for Construction of new Mens Hostel building at Govt. Degree College in Srikakulam in Srikakulam district. Hence the Hon'ble Minister for Revenue, Registration & Stamps, Government of Andhra Pradesh is instructed to prepare the estimate for the work "Construction of new Mens Hostel building at Govt. Degree College in Srikakulam in Srikakulam district" within the degree college premises, Hence this estimate for the work "Construction of new Mens Hostel building at Govt. Degree College in Srikakulam in Srikakulam district" is prepared with the following provisions as per the directions of commissioner of collegiate education Andhra Pradesh (for 500 members of students).

- 1 Earth work excavation for Building foundations
- 2 Filling with useful available excavated earth and Gravel
- 3 Providing Antitermite treatment as per IS 6315 (Part - 2) 2001
- 4 Damp proof course 50mm thick with 1:2:4 cement concrete
- 5 Plain Cement Concrete (1:3:6) proportion nominal mix for Bed blocks
- 6 Supply and placing of the M-30 Grade Vibrated reinforced Design Mix Concrete
- 7 Providing TMT (Fe 415 grade as per IS 1786-1979) of different diameters for RCC works
- 8 Solid Fly-ash Block masonry 200 mm thick for panel walls in super structure
- 9 Reinforced Solid Fly-ash Block Masonry for partition walls (100 mm thick)
- 10 single shutter doors including flush door shutters of 35mm thick
- 11 Providing and fixing factory made solid Wood Polymer Composite (WPC) doors
- 12 Supply and fixing PVC white colour sliding glazed window comprising of uPVC multi-chambered frame Three/ Track sliding window
- 13 Supply and fixing Fixed Louvered Ventilator made out of multi chambered uPVC sections
- 14 Plastering 12mm thick in two coats for internal and external surfaces of walls
- 15 Ornamental plastering to ceiling 12 mm thick in two coats
- 16 White washing three coats with paint grade white lime to ceiling
- 17 Painting to new walls with 2 coats of ready mixed oil bound washable distemper for Internal walls
- 18 Painting to new walls with 2 coats of plastic emulsion paint for external Walls
- 19 Painting to flush shutters two coats of synthetic enamel paint Grade-I
- 20 Painting to new iron works with 2 coats of synthetic enamel paint
- 21 Flooring with vitrified polished floor tiles of 1st quality
- 22 Supplying and fixing window safety grills made IS Flats 25x6mm
- 23 Supplying and fixing stainless steel hand railing, balustrade
- 24 Supplying and fixing Gyp Board Suspended regular single layer false ceiling

The Plinth Area rates are assessed based on the recently proposed/constructed Buildings in (R&B) Division, Srikakulam. The work will be executed as per standard specifications.
