Event Organized Report

2022-2023

Name of Department/ Cell	Women Empowerment Cell
Name of Event Organized	Awareness Program
Title of the Event	“Disha SOS”
Date of Event Organized	08-02-2023
Name of the coordinator of the Event	Dr. R. Prameela
No. of Participant (Student +Staff)	31+4
Name of the Expert with designation	Dr. P. Surekha, Principal
Contact number & Address of the Expert	
Objective of the Event	The objective of the awareness program on the Disha App, organized at Government Degree College for Men, was to educate and empower the college community, particularly women, about utilizing the Disha application for ensuring personal safety and seeking assistance during emergencies. The program aimed to instil a sense of confidence among students and faculty members in utilizing technology as a tool for enhancing safety and security.
Description of the event	Principal P. Surekha, esteemed as the chief guest, graced the occasion with her presence, emphasizing the college's unwavering commitment to ensuring the safety and security of all its members. Her address underscored the importance of leveraging technology to address contemporary challenges related to women's

safety, echoing the institution's progressive stance towards embracing innovation for societal good.

The participation of key personnel such as IQAC Coordinator Dr. R. Haritha and WEC Coordinator Dr. R. Prameela further enriched the program, signifying the institutional endorsement and support for initiatives aimed at promoting gender sensitization and empowerment. Their presence highlighted the collaborative efforts undertaken by various stakeholders to address pertinent issues and foster a culture of safety and vigilance.

Women faculty members, including S. Aruna Kumari and V. Harathi, actively engaged in the program, contributing valuable insights and perspectives towards enhancing women's safety within the college community. Their involvement exemplified the collective responsibility and solidarity towards creating an environment where every individual feels safe, respected, and empowered.

One of the key highlights of the program was the proactive participation of all girl students, teaching, and non-teaching women faculty members, who demonstrated their commitment to personal safety by installing the Disha App on their mobile devices. This collective action not only showcased their readiness to embrace technology for enhancing safety but also served as a testament to the efficacy of such initiatives in fostering a culture of awareness and preparedness.

Outcome of the Event

The awareness program on the Disha App at Government Degree College for Men yielded several positive outcomes, including:

Increased awareness about the Disha application and its functionalities among students and faculty members.

Enhanced understanding of the role of technology in promoting personal safety and seeking assistance during emergencies.

Strengthened collaboration and partnership among stakeholders towards fostering a safe and inclusive college environment.

Empowerment of women students and faculty members through the adoption of proactive safety measures.

	Establishment of a framework for continued initiatives and interventions aimed at promoting women's safety and well-being within the college community.
