<b>Objective of the Event</b>	The primary objective of the awareness program on Disha SOS, conducted at Government Degree College for Men, was to educate the college community about the Disha app and its significance in ensuring women's safety. The program aimed to empower women and enhance their confidence in utilizing technology to seek help in distress situations.

### Description of the event

The awareness program on Disha SOS, organized at Government Degree College for Men, was a significant initiative towards promoting women's safety and security. The event witnessed enthusiastic participation from students, faculty members, and staff, highlighting the collective commitment towards creating a safer environment for women within the college premises.

The program commenced with an introduction to the Disha SOS app, elucidating its features and functionalities. SI P. Pravallika, adorned as the chief guest, delivered a compelling speech emphasizing the importance of leveraging technology to combat gender-based violence and ensure prompt assistance during emergencies. Her insights resonated with the audience, fostering a sense of urgency and responsibility towards women's safety.

Principal P. Surekha graced the occasion as a special guest, underscoring the college's unwavering support towards initiatives aimed at fostering a conducive learning environment for all. The presence of key personnel such as IQAC Coordinator R. Haritha and WEC Coordinator Dr. R. Prameela further underscored the institutional commitment towards gender sensitization and empowerment.

The active involvement of women faculty members, including Dr. Shanti Devi, S. Aruna Kumari, and V. Harathi, exemplified their dedication to championing the cause of women's safety within the college fraternity. Their presence not only inspired the attendees but also reinforced the message of solidarity and collective responsibility.

One of the highlights of the program was the participation of all girl students, teaching, and non-teaching women faculty members, who demonstrated their proactive approach by installing the Disha app on their mobile devices. This collective action not only showcased their readiness to embrace technology for personal safety but also served as a testament to the efficacy of such initiatives in fostering a culture of safety and
