No. of Participant (Student +Staff)	31+6
Name of the Expert with designation	Dr. T. Swarna Latha
Contact number & Address of the Expert	
Objective of the Event	The primary objective of the awareness program was to promote good washroom practices among students and faculty members of Government Degree College (Men), Srikakulam. Specifically, the program aimed to raise awareness about hygiene, cleanliness, and respectful behaviour in shared washroom facilities.
Description of the event	The awareness program on good washroom practices was conducted at Government Degree College (Men), Srikakulam, under the guidance of Dr. T. Swarna Latha, the Women Empowerment Cell Coordinator. The program aimed to raise awareness about the importance of maintaining hygiene and cleanliness in washroom facilities, fostering a culture of

respect and consideration among students and faculty.

Dr. T. Swarna Latha led the program, delivering informative sessions on the significance of good washroom practices and their impact on the overall health and well-being of the college community. Women faculty members actively participated in the discussions, sharing their perspectives and experiences, and providing valuable insights into promoting hygiene and cleanliness within the college premises.

As part of the program, best washroom practices were printed on banners and displayed prominently within the college premises, serving as constant reminders to students and faculty. Additionally, charts outlining do's and don'ts were placed inside women's restrooms, providing practical guidance on respectful behaviour and hygiene practices.

Overall, the awareness program on good washroom practices was a success, contributing to improved hygiene, cleanliness, and respectful behaviour within Government Degree College (Men), Srikakulam. Through ongoing initiatives and community engagement, the college aims to sustain these positive changes and promote a culture of hygiene and respect in all shared spaces.

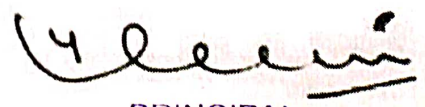

Outcome of the Event

The program successfully achieved its objectives, leading to increased awareness and adherence to good washroom practices among participants. The outcomes of the program include:

1. Improved Hygiene: Participants gained a better understanding of the importance of maintaining cleanliness and hygiene in washroom facilities, leading to improved hygiene practices among students and faculty.
2. Respectful Behaviour: The program contributed to fostering a culture of respect and consideration in shared washroom spaces, with participants demonstrating increased awareness of the needs and comfort of others.
3. Sustainable Impact: By printing best washroom practices on banners and placing charts with do's and don'ts inside women's restrooms, the program facilitated ongoing reminders and reinforcement of good washroom practices among the college community.
