| <b>Objective of the Event</b>               | To raise awareness about global population issues and their implications for future generations.  |
| <b>Description of the event</b>             | World Population Day was observed on July 11, 2022, at Government Degree College for Men, Srikakulam. The event was organized by the Department of Economics and coordinated by Sri. Ch. Rama Murthy. The chief guest for the event was Sri. V. Appala Naidu, Manager, SETSRI, Srikakulam. In his speech, he highlighted the exponential growth of the world population from 1 billion to almost 7.9 billion in just over 200 years and projected figures for future growth. He emphasized the significant changes in fertility rates, urbanization, and migration patterns accompanying this growth and discussed the far-reaching implications for future generations. Principal Dr. P. Surekha also graced the event, raising awareness among students about the importance of World Population Day and the need to understand population dynamics. A total of 121 students participated in the event, engaging in discussions about the critical issues related to population growth. |
