No. of Participant(Student + Staff)	412
Name of the Guest with designation	Dr. P. Surekha, Principal
Objective of the Event	To raise awareness about the dangers of drug use and promote a drug-free lifestyle among students and staff.
Description of the event	The Drug Free India Awareness Programme was organized at Government Degree College for Men, Srikakulam, in association with the District Medical and Health Department. The event saw the active participation of 412 students, along with staff members. Principal Dr. P. Surekha actively participated in the event, emphasizing the importance of maintaining a drug-free life. All students and staff took an oath to abstain from drug use under any circumstances. The event was coordinated by Dr. Y. Polinaidu and organized by the NCC, NSS, and IQAC units of the college. The program aimed to educate participants about the harmful effects of drugs and the importance of making healthy lifestyle choices.

<p>Out come of the Event</p>	<p>Participants were educated about the dangers of drug use and the importance of a drug-free lifestyle. The event successfully fostered a sense of commitment among students and staff to avoid drugs, as demonstrated by the oath-taking ceremony. The awareness program reinforced the college's dedication to promoting a healthy, drug-free environment and contributed to the overall well-being of the academic community.</p>
