Description of the event	<p>Dr. A.P.J. Abdul Kalam's birthday was celebrated on October 15, 2022, at Government Degree College for Men, Srikakulam. The event was organized by the Department of Physics in collaboration with the Internal Quality Assurance Cell (IQAC). Principal Dr. P. Surekha attended as the chief guest and delivered an inspiring message to the students. He spoke about Dr. Avul Pakir Jainulabdeen Abdul Kalam, commonly known as Dr. APJ Abdul Kalam, highlighting his role as an iconic Indian scientist, aerospace engineer, and visionary leader. Dr. Kalam, who served as the 11th President of India from 2002 to 2007, is widely celebrated as the "People's President" for his immense contributions to science, technology, and the socio-economic development of India. The principal emphasized Dr. Kalam's pivotal role in the development of India's ballistic missile and launch vehicle technology and educated the students about his numerous achievements. Additionally, Dr. G.V.S. Jayapala Rao, the Department Incharge of Physics, shared his insights about Dr. Kalam's life and legacy. The</p>

	event saw the participation of 162 students, who were deeply inspired by the achievements and vision of Dr. Kalam.
Out come of the Event	Participants gained a greater appreciation for the life and contributions of Dr. A.P.J. Abdul Kalam. The event inspired students to pursue excellence in science and technology and to contribute positively to society. The celebration fostered a sense of national pride and motivated students to follow in the footsteps of Dr. Kalam, aiming to make significant contributions to their respective fields.
