### Description of the event

The Department of Chemistry at Government Degree College for Men, Srikakulam, organized a Quiz on National Energy Conservation Day on December 14, 2022, at 11:00 A.M. in Room No. 36. The event saw the enthusiastic participation of 20 students, who were divided into four teams.

The quiz focused on topics related to energy conservation, energy efficiency, global warming, and climate change. The questions were designed to test the students' knowledge and understanding of these critical issues. Each team competed with great zeal, showcasing their awareness and commitment to the cause of energy conservation.

After the quiz, Dr. S. Rama Krishna addressed the students, emphasizing the significance of National Energy Conservation Day, which has been celebrated since 1991. He highlighted the importance of energy conservation as a key measure for securing a greener and brighter future. Dr. Rama Krishna also spoke about the need to raise mass awareness regarding energy efficiency, the impact of global warming, and the ongoing efforts to save energy resources.

<b>Outcome of the Event</b>	The quiz successfully engaged students in a meaningful discussion on energy conservation and its importance. The event not only enhanced the participants' knowledge of energy-related issues but also motivated them to adopt energy-efficient practices in their daily lives. The session provided valuable insights into the global challenges of energy conservation and the role of individuals in mitigating climate change.
