Objective of the Event	The objective of the AIDS Day event organized in our college was to raise awareness, promote holistic healthcare, and foster empathy among the college community.
Description of the event	<p>Our college recently organized a remarkable AIDS Day event that brought together students, faculty, and staff in a collective effort to raise awareness and foster empathy. The event, held on December 1st, was graced by the esteemed presence of Dr. P. Surekha, the Principal of the college, who served as the chief guest. One of the significant highlights of the event was the inclusion of blood group testing as apart of the AIDS Day activities. This addition aimed to promote a holistic understanding of healthcare and well-being among the attendees. Dr. P. Surekha, in her keynote address, emphasized the importance of AIDS awareness and encouraged participants to take advantage of the blood group testing opportunity. Her presence and words of wisdom instilled a sense of purpose and commitment in the audience. Throughout the day, a series of informative seminars were conducted, covering topics such as HIV transmission, prevention, and the significance of knowing one's blood group. These sessions provided valuable insights into the interconnectedness of various health aspects.</p>
