## **AWARENESS PROGRAM ON AGRICULTURAL SCHEMES AND PRACTICES IN ADOPTED VILLAGE**

**Department:** NSS Units

**Title of the Event:** Awareness Program on Agricultural Schemes and Practices in Adopted Village

**Date:** 06.09.2018

**Coordinator:** Sri. M. Pradeep

**Participants:** 28 students

**Chief Guest:** Dr. M. Babu Rao, Principal, Government Degree College for Men, Srikakulam

### **Objectives:**

The primary objective of this program was to educate the villagers about various **agricultural schemes** and **best practices** to enhance their farming techniques and productivity. The event aimed to provide practical knowledge that could help improve agricultural yields and introduce them to government schemes available for farmers.

### **Description:**

On **6th September 2018**, the NSS Units of Government Degree College for Men, Srikakulam, organized an **Awareness Program on Agricultural Schemes and Practices** in the adopted village. The event was coordinated by **Sri. M. Pradeep**, with the participation of **28 students** from the college.

The event was honored by the presence of the **chief guest, Dr. M. Babu Rao**, Principal of the college, who addressed the attendees and underscored the importance of modern agricultural practices and government support in improving agricultural outcomes. Dr. Rao encouraged the villagers to actively engage in the various schemes available to them for better farming.

The **students**, under the guidance of the coordinator, conducted sessions to inform the villagers about the latest agricultural schemes offered by the government, such as subsidies, grants, and training programs. They also shared practical tips on modern farming techniques, including soil management, pest control, crop rotation, and efficient water usage. The

students used interactive methods to ensure that the information was accessible and engaging, facilitating discussions and answering queries from the villagers.

### **Outcomes:**

The awareness program successfully imparted valuable knowledge to the villagers about agricultural schemes and improved farming practices. The villagers gained insights into how they can benefit from government initiatives and apply best practices to enhance their agricultural productivity. The event contributed to fostering a greater sense of empowerment among the villagers, equipping them with tools and information to better manage their agricultural activities.
