“HB Testing for Girls” Event Organized Report

2023-2024

Name of Department/ Cell	Women Empowerment Cell
Name of Event Organized	Awareness program
Title of the Event	HB Testing for Girls
Date of Event Organized	16-09-2023
Name of the coordinator of the Event	S. Aruna Kumari
No. of Participant (Student +Staff)	30 + 6
Name of the Expert with designation	Dr. P. Surekha, Principal
Contact number & Address of the Expert	9441798598
Objective of the Event	<p>The primary objective of the program was to conduct Haemoglobin (HB) testing for female students to assess their health status, particularly focusing on identifying Anaemia or other related health issues. The event aimed to raise awareness about the importance of regular health check-ups and to encourage students to prioritize their health and well-being.</p>
Description of the event	<p>The program was held at the college dispensary, where a large number of students and faculty members participated. Principal Dr. P. Surekha inaugurated the session, emphasizing the importance of regular health monitoring, especially for young women, to prevent and manage health conditions like Anaemia.</p> <p>Pharmacist Adi Laxmi, led the HB testing process, with support from Supporting Staff Parvathi. They efficiently managed the testing procedures, ensuring that all participating students were tested for their haemoglobin levels. The results were recorded, and students with low haemoglobin levels were advised on further steps to improve their health.</p>

	<p>IQAC Coordinator Dr. R. Haritha, spoke about the significance of maintaining healthy haemoglobin levels and the impact of Anaemia on overall health and academic performance. She encouraged students to adopt healthy eating habits and take proactive measures to maintain their health.</p> <p>WEC Coordinator S. Aruna Kumari, highlighted the role of the Women Empowerment Cell in organizing health-related programs that benefit the students. She stressed the importance of early detection and timely intervention in preventing health issues.</p> <p>Dr. R. Prameela, V. Harathi, N.V.E.S Sridevi, Kella Induvadana, and other faculty members were present to support the initiative and provide guidance to the students. They emphasized the importance of regular health check-ups and how programs like these can lead to better health outcomes for the student community.</p> <p>The event also included a brief session on nutritional advice, where students were educated about iron-rich foods and the importance of a balanced diet in maintaining healthy haemoglobin levels.</p>
Outcome of the Event	<p>The program successfully conducted HB testing for a significant number of female students, identifying those at risk of Anaemia and providing them with necessary advice and follow-up actions. The event was well-received, with students expressing their appreciation for the health services provided and the valuable information shared. The initiative reinforced the commitment of the Women Empowerment Cell to promoting the health and well-being of students at Government Degree College (Men), Srikakulam.</p>
