

RAVI BABU SIVALA

Lecturer in Zoology

About Me

I am a dedicated and student-centric educator, utilizes ICT-enabled tools to deliver engaging lectures and hands-on practical experiences. With a strong commitment to guiding students, I encourage them to enrich their knowledge and aspire to reach great heights in their careers. With a commitment to positive thinking, I approach challenges with smooth communication and a strong sense of responsibility. I work collaboratively with my team to contribute effectively towards the success of the institution.

EXPERIENCE

Lecturer in Zoology
Government Degree College for Men
Srikakulam - 532001
14/07/2021 to till date

I am starting my career at this institution with the strong support of my colleagues, committed to delivering the curriculum effectively and on time. I am dedicated to encouraging and guiding students to advance in their education and improve their employability. Additionally, I responsibly discharge my duties as the Scholarship Cell Coordinator, IQAC - Criterion - 2 Coordinator, and serve as a core committee member for the NAAC SSR submission and peer team visit.
