8. **Outcome of the Event:**

Eminent scientists & Researchers, from reputed academic institutions visited physically and delivered recent advances & research methods in promising fields. Majority of the participants expressed their interest to make MOU with the institute and the department. All the participants interact with the experts and greatly enriched their practical skills in basic & advanced sciences. Finally the lectures greatly enhanced the exchange of knowledge among different participating bodies and also employability skills. Here I heart fully expressing my gratitude to DBT on behalf of our institute and the Biotechnology department for promoting these types of wonderful activities. Thanking You
