

Invitation

Internal Quality Assurance Cell (IQAC)

and

**Department of Mathematics,
Government Degree College (M), Srikakulam**

Cordially invite you to program on IPR Awareness

“Equations for Innovations : IPR Awareness”

on Friday 18th December, 2020.

**In Dr. B.R. Ambedkar Open University Seminar Hall,
Government Degree College (M), Srikakulam.**

Sri. M. Ajith,

Deputy Controller, I.P office, Chennai.

Chief Guest

Smt. Y. Lakshmi,

Principal (FAC)

Special Guest

Distinguished Guests

Dr.T. Swarna Latha

Physics Department Incharge

Dr. S. Rama Krishna

Lecturer in Chemistry

Will preside over the function

“Lecturer on IPR Awareness” Event Organized Report

2020-2021

Name of Department/ Cell	IQAC and Department of Mathematics
Name of Event Organized	IPR Awareness
Title of the Event	Equations for Innovation : IPR Initiatives in focus
Date of Event Organized	18.12.2020
Name of the coordinator of the Event	
No. of Participant (Student +Staff)	88
Name of the Expert with designation	Sri. M. Ajith, Deputy Controller, I.P office, Chennai.
Contact number & Address of the Expert	
Objective of the Event	The objective of the above event was to promote awareness and understanding of Intellectual Property Rights (IPR) among participants, with a particular focus on showcasing the connection between IPR and the field of Mathematics.
Description of the event	On December 18, 2020, we organized a programme for promoting awareness about Intellectual Property Rights (IPR). This event was a collaborative effort between our IQAC and the Department of Mathematics. We were privileged to have Sri. M. Ajith, the Deputy Controller of the I.P. Office in Chennai, as our esteemed Chief Guest. He shared invaluable insights regarding IPR, offering a unique perspective on its connection to the field of Mathematics. He elucidated the intricate relationship between Mathematical Models, Algorithms, and software in the context of IPR. This insightful discussion shed light on how innovative ideas and mathematical concepts are integral to IPR protection. The event was graced by the presence of our College Principal, which added prestige and underscored the event's significance. Together, they emphasized the crucial importance of comprehending IPR, especially within an

	academic context. The event concluded with an engaging Q&A session led by the Chief Guest. This interactive session allowed students to ask questions, seek clarifications, and gain a deeper understanding of IPR, fostering active participation and enriching their knowledge.
Outcome of the Event	Participants gained insights into the intricate relationship between Mathematical Models, Algorithms, and IPR, fostering a deeper understanding of innovation protection.
