## Department of Physics

Minutes of the meeting

20.02.2024

Today, under the esteemed guidance of Sri M.V. Satyanarayana, the Incharge of the Department of Physics, the members of the department convened for a meeting. During this gathering, the following unanimous resolutions were adopted

1. The Department of Physics has resolved to collaborate with the Science Association of Government Degree College for Men, Srikakulam to celebrate the upcoming National Science Day on February 28, 2024. This collaboration aims to highlight the importance of science in our daily lives and to inspire students towards scientific inquiry and innovation. A key feature of the celebration will be an engaging quiz program designed to test and enhance the scientific knowledge of participants across various disciplines. The quiz will foster a competitive yet educational atmosphere, encouraging students to showcase their talents and deepen their understanding of physics and other scientific fields. Following the competition, a prize distribution ceremony will be held to honour the winners. This event is expected to not only celebrate science but also to stimulate a lasting interest and enthusiasm for scientific exploration among students.

**Subject:** Celebration of National Science Day - Quiz Program

We are excited to announce that the Department of Physics, in collaboration with the Science Association of Government Degree College for Men, Srikakulam will be celebrating National Science Day on February 28, 2024. This initiative is aimed at underscoring the significance of science in our everyday lives and motivating students towards embracing scientific inquiry and innovation.

As a part of this celebration we conduct a Quiz program on 28.02.2024. Interested students give their names to Dr.Y.Poli Naidu, Convener of Science association on or before 27.02.2024.

## NATIONAL SCIENCE DAY CELEBRATIONS

28<sup>th</sup> February, 2024 at 10 am  
Venue: Silver Jubilee Auditorium

*President:*  
**Dr. P. Surekha, Principal**

*Chief Guest*

**Prof. H. Purushotham**

IPR Chair Professor, Andhra University

*Convener:*

**Sri M.V. Satyanarayana**  
Vice Principal

*IQAC Coordinator:*

**Dr. R. Haritha**  
Lecturer in Biotechnology

*Coordinator:*

**Capt Dr. Y. Polinaidu**  
Incharge, Dept of Zoology.

*Organizing Committee:*

**Sri M. Pradeep**

Incharge, Dept of Applied Sciences

**Sri D. Adinarayana**

Incharge, Dept of Chemistry (UG and PG)

**Sri R. Ravisenkar**

Incharge, Dept of Maths

**Sri D. Ravindra**

Incharge, Dept of Botany

**Sri B. Raghu Ram**

Incharge, Dept. of Computer Science

*Organized by*  
**Science Association**

## Event Summary

1. Celebrating Science Day: Department of Physics Joins Hands with College Science Association
2. On February 28th, 2024, the vibrant halls of [College Name] were abuzz with excitement as the Department of Physics, in collaboration with the College Science Association, commemorated Science Day with a series of engaging activities. This celebration marked a testament to the relentless pursuit of knowledge and innovation within the academic community.
3. The highlight of the event was a thrilling quiz competition organised by the Science Association, challenging the intellect and curiosity of participating students. Under the astute guidance of Department Incharge, Sri M. V. Satyanarayana, and the dedicated efforts of lecturers R. Ravi Kumar and B. Mohan Rao, the quiz showcased the depth and breadth of scientific knowledge among the students.
4. Eminent personalities graced the occasion, including the esteemed Chief Guest, Prof. H. Purushottam, IPR Chair Professor at Andhra University. His presence added prestige and inspiration to the event, motivating students to delve deeper into the realms of science and technology. Dr. P. Surekha, the Principal of the college, also honoured the gathering with her presence, emphasising the institution's commitment to fostering a culture of scientific inquiry.
5. As the quiz competition unfolded, participants displayed exemplary teamwork, critical thinking, and a passion for learning. Questions spanning various branches of science tested their understanding of fundamental principles, current advancements, and historical milestones. The atmosphere crackled with energy as participants eagerly vied for the coveted titles of winners and runners-up.

## GOVERNMENT DEGREE COLLEGE (MEN)

ACCREDITED BY NAAC WITH B++ (CGPA 2.90)

Srikakulam - 532001, Andhra Pradesh, India

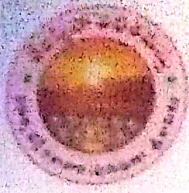

ph: 98942 722362 e-mail: info@gdcsmen.ac.in website: <https://www.gdcsmen.ac.in>

6. After a spirited competition, the deserving winners and runners-up were announced, eliciting cheers and applause from the audience. Prizes were awarded to acknowledge their outstanding performance and dedication to scientific exploration. The prizes served not only as tokens of appreciation but also as symbols of encouragement to continue their pursuit of excellence in the field of science.
7. The collaboration between the Department of Physics and the College Science Association exemplifies the spirit of unity and collaboration within the academic community. By joining forces, they provided students with a platform to showcase their talents, ignite their passion for science, and foster a deeper appreciation for the wonders of the universe.
8. As the celebrations came to a close, participants departed with a renewed sense of curiosity and a commitment to harness the power of science for the betterment of society. The Science Day celebration served as a reminder of the transformative impact of scientific knowledge and the importance of nurturing the next generation of innovators and problem solvers.
9. In the words of Prof. H. Purushottam, "Science is not merely a subject; it is a way of thinking, questioning, and exploring the unknown. Let us continue to embrace the spirit of inquiry and push the boundaries of human knowledge." With the resounding success of this year's celebration, the Department of Physics and the College Science Association look forward to future collaborations and endeavours that will inspire and empower generations of aspiring scientists.

### Feedback of the students:

The National Science Day celebration organised by the Department of Physics in collaboration with the Science Association was an enlightening experience for us, the students. The quiz competition was not only challenging but also incredibly rewarding, pushing us to delve deeper into our scientific knowledge. It was inspiring to see so many students actively participating and showcasing their talents. The prize distribution ceremony added to the excitement, acknowledging the hard work and achievements of the winners. This event has certainly sparked a greater interest in science and innovation among us, making it a memorable and motivating experience. We're looking forward to more such events in the future.
