

FEEDBACK ON CURRICULUM ACTION TAKEN REPORT

STUDENTS

Suggestion

Increase the e-content availability

Need to improve practical training due to pandemic and non accessibility of labs

Need additional courses with skill training

Response

Faculty were advised to develop more econtent in form of Youtube Classes, PPTs, google classroom links recordings and share it with the students

Faculty instructed to utilize the virtual labs options to impart practical orientation in students

Resolved to introduce more skill training certificate courses

FACULTY

Suggestion

Curriculum is strong and additional electives may be offered to meet the industry demands

Introduce new market oriented courses

Response

To be addressed in BOS meetings and communicated to the affiliating University Academic Dean.

EMPLOYER

Suggestion

Student volunteers for industry initiatives

Regular connection with the industry and training in tools used in industry are required

Response

Not addressed due to Pandemic

Industrial tours will be organized when students report physically to campus.

ALUMNI

Suggestion

Industry collaborative courses should be offered

MOOCs, online courses and research with other institutions can be increased.

Response

Efforts strengthen the industry-academia interaction

To encourage faculty and students to involve in MOOCs and online courses

To establish a research cell in the institution to enrich the research environment

PARENTS

Suggestion

More on campus job interviews to be conducted

Response

Online job interviews organized due to pandemic. On campus job drives to be resumed when students report physically to college.

To
The Registrar,
Dr.BR. Ambedhkar University,
Etcherla, Srikakulam.

Rc.No.01/Esst. Dated 03.11.2021

Sub: Request for introduction of additional electives to meet industry demands and new market oriented courses into the curriculum– Based on feedback from stakeholders – Reg.

This is to bring to your kind notice that based on the analysis report of the feedback collected from our stakeholders viz., Students, Parents, Alumni, Employers and Faculty, we have identified the need to update the curriculum on par with global standards and train the students to be competent to meet industry/market demands. Hence, we request you to consider our proposal and take the necessary steps for orienting the curriculum towards skill enhancement by introducing courses like BBA Health Care Management, BBA Logistics, Beautician and Wellness, B.Sc. Aquaculture. This is for your kind perusal and necessary action.

Thanking you sir

Yours faithfully,

PRINCIPAL
Government Degree College(M),
Srikakulam
