In the academic year 2018-19, Three grievances have been received,

2. Books in our library are not arranged properly and the fans in room no: 11 are not working in the new building.
3. Class rooms aren't cleaning periodically and no dustbins for keeping sanitary napkins and to repair taps in girls waiting hall.

The reference volumes in the library were kept in a systematic sequence for easy search of the students and redressed by repairing the fans. Discussed with the AO and decided to solve the grievance solved by assigning duties to sweeper and plumber and the water system is arranged in the toilets.
