

PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION
GOVERNMENT OF ANDHRA PRADESH :: MANGALAGIRI

Present: Dr. Pola Bhaskar, I.A.S

Proc.No.11/APCCE/Academic Cell/AC-7/2024

Dated: 26-03-2024

Subject: Collegiate Education – Nodal Resource Centres (NRCs) – Interactive Screens in Faculty Development & AR/VR Rooms – Regarding.

Commissionerate of Collegiate Education, Andhra Pradesh identified 21 Government Degree Colleges as Nodal Resource Centres (NRCs) across the State. Nearby Government Degree Colleges and Private Aided Degree Colleges are mapped to the NRC college to share the intellectual and infrastructural resources and to facilitate the mentoring among the colleges. These NRCs conduct Faculty Development Programmes (FDPs), Trainings and other Capacity Building Programmes. Conducting Placement Drives, promoting Research Activities among the mapped colleges and facilitating the content generation through video recording centre are also the functions of the NRCs.

FDPs can enhance the teaching skills, knowledge, and overall professional development of lecturers. FDPs are a crucial investment for the CCE-AP, and Government Degree Colleges in Andhra Pradesh. By equipping lecturers with the necessary skills and knowledge, these programs can significantly improve the quality of education for students and contribute to the overall development of the state. The interactive screens can transform FDPs from passive lectures to dynamic and engaging learning experiences. By promoting active participation, collaboration, and access to various resources, these screens can enhance the learning outcomes for faculty members

The following NRC Colleges who do not have interactive screens in their Faculty Development Program (FDP) rooms (or purchased prior to 2020-2021) can directly purchase them through the GeM Portal using the L1 procurement method.
