Dear Sir,

Sub: RSC Internship – Lab programme at Tina Life Science- Bangalore

Based on the applications received for the RSC Inclusion and Diversity programme the following four students from your college were selected.

1) Vavilapalli Sai Lakshmi 2) Sharmila Lukalapu 3) Vanjarapu Ramya 4) Vandana Reddi

We plan to start the lab programme for hands-on training from 1st Dec 22. We therefore want the students to plan their travel to reach Bangalore by 1 st Dec 22 (or 30th Nov 22).

We will be arranging for their stay in a ladies PG. Payment will have to be made by them from the stipend amount. Travel should be also covered from the stipend amount. Once they reach here, we will transfer the stipend amount of Rs 12000 (either to their bank account/or cash if they do not have bank acct).

Look forward to having them here in Lab in Bangalore.

Thanking You

Yours sincerely,

For Tina Life Sciences
