CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Intern's work environment is one of the aspect of intern's quality addressed in this report the people at MCS Balga Netu school Srikakulam were a good interactive staff we were given a desk for work and which basic things like check pieces our role is to enhance the students observe them and any other negatives analyse all activities by students and staffers our things are from 9:00 AM to 3:30 PM (Morning to Evening)

The headmaster and the teachers are very polite and humble to me the students are very friendly and interactive which made me sociate with them very easily the other in terms were also very cooperative in work we are one the formers a team were very active and focused in the work we are also given space for our problems which made our internship very useful.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

The are some technical skills i have acquired from This internship.

I have know about how to put my knowledge and skills into practice such as mentoring I learned how to communicated and build Relationships with the people of worked I learned that Every development an Organisation has it is own culture I quickly learned that Every Company has it is own culture As a intern i discovered its usetical to be entostic and open to learning new skills I learned that is important to comm with teachers headmaster if i have any doubts

Asking and Reading feedback is very important it is essential to take note of both me positive and negative points for future I learn that some times asking for feedback ③) Reciving feedback it difficult to hear but it will have a significant impact on your future carrier and Success.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.)

There are also some managerial skills I have acquired from this Internship.

I learned how effectively deal with people. Developing managerial skills is important to all professional. As a team we planned about scheduling with respect to time and we all acted as a leads for every week. We arranged our workplace culture for productive use of time.

We have kept notes for observing. Every one improvement weekly wise we will discuss about all pros and in our working style we all have developed our decision making skills which are very essential in further. As per the final day we have discovered about our performance is upgraded.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

We have improved our Communication skills in this internship at MES Balaga METU Srikakulam as we have been interacting with each other student we have improved our Oral Communications written communication as we are assigned to class rooms At first day we many tell tense but now we are confident while communication as we conversing understanding others.

We also come to getting understand by others we improved our speech skill from prepared level to extempore level we have developed from a student to an inter we have also developed few tracking skills in our way which made students better.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

Team work is one of the most taught after skills in the workplace.

At the Interns of MES Balaga Methu Srikalavam formed as a team to enhance and improve our work in an efficient way.

Firstly as we have no familiarity with each other gradually it took time and we have also become a supportive team.

Every week one of us will lead the team to take leadership we have discussed with each other about work performance.

Working as a team members and other also as a leader made me known about has to work as a team member its role in the team in my way to interact co-operate and manage team as a unity in every activity it gave me exposure and knowledge about team work.
