Instructions to Students

Please read the detailed Guidelines on Internship hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete 2 months (180 hours) of short-term internship either physically or virtually.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements of transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the persons working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned with a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - Data and Information you are expected to collect about the organization and/or industry.
 - Job Skills you are expected to acquire.
 - Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.

12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.
13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. **Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.**
15. At the end of internship you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during internship programme, you are the ambassador of your College, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your College.

ACKNOWLEDGEMENTS

I am incredibly grateful to my internship supervisor G.R.Ganesh for their invaluable guidance and support throughout my internship. From the moment I started took the time to get to know me and understand my goals for the internship. They provided me with clear direction and expectations.

And one of the insights and advice that helped me to grow as a professional. Their constructive feedback helped me to improve my skills and approach to my tasks and their encouragement kept me motivated and focused.

I am deeply thankful for the time and effort, and for their contribution to my success I would also like to express my appreciation to my co-workers at my organization for their warm welcome and assistance during my internship.

Special affirmation :-

From the moment I arrived my colleagues were quick to introduce themselves and make me feel welcome. They were always willing to share their knowledge and expertise and were patient in answering my questions and helping me to understand the enforcement and industry.

My Sachivalayam staff member workshops gives valuable guidance to complete the project successfully.

I am extremely grateful to my Sachivalayam staff members and friends who helped me to successful completion of this project.

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have only a one-page executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

* people interaction:- A secretary is often responsible for interacting with people both side of their organization. They may be responsible for answering phone calls and responding to emails, and greeting visitors. Good communication skills give a great success.

* The secretariat in high offices take a variety of job roles and explain under the office facilities such as supplies and meeting rooms.

* So overall - a secretariat plays a critical role in ensuring that an organization runs smoothly and it distinguished by many various forms.

They need to be highly organized, detail oriented and able to work well under the pressure. Good communication and interpersonal skills are also essential for success in the role of a secretary.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

Technical skills are specific abilities and knowledge related to a particular field or profession. They often involve the use of specialized tools, software or equipment, are essential for performing tasks much more easily and quickly within a time of expertise.

Technical skills in various departments what I am doing

- (1) Bio Retic division
- (2) Application progress
- (3) Third party certification
- (4) prefinal applied
- (5) VRO applied
- (6) Biometric
- (7) cast entering

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

① Leadership skills :- Manager need to inspire and motivat

-ed their team to achieve and their goal the team
achieve and their goal successfully completed

② Decision Making skills :-

Managers must make informed decisions quickly and efficiently should be able to analyse date • evaluate opt - ions and choose the best course of an action

③ problem solving skills :- The staff members are should

be able do identify and solve problems quickly and effectively they should be able to think creatively

④ Goal setting :- we are learning about only target(s)

goal which as to do first observe for thing and said plan as identification.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

We would be improve our communication skills with format of the higher officers doing and working explained so far so many topics

- (1) Listen actively:- effective communication is not just about speaking but also about listening should be paying attention asking questions and providing feedback
- (2) The listener able to speak clearly and confidently use appropriate Be aware of your audience These are communication cold Learn
- (3) Tom going to field work purpose after we are collect data, due to the time learn about people way of talking how could be respond that place Improve our written communication abilities Confidence levels...
these are main qualities of good speaking skills

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

I can see my future job role with technological instrument in secretariat following below

- ① computer system
- ② Internet activity
- ③ Telephone, multiphone, phone system, single line phone system.
- ④ Internet phone system
- ⑤ photo copies, copying binding, multiple, pocket copying
- ⑥ scanners (CRTS scanners)
- ⑦ printing
- ⑧ Bio metric division

I will see in my future job role above instruments. I am full focus on digital technologies and irrelevant instruments
