CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

- * In four monthly long internship programme I have observed and experienced above the working conditions and relationships with employees in the school are harmonious and amicable
- * I learned so much from the existed employees in the school with great extent
- * They have given wonderful support in discharging my duties and roles in efficient way
- * I have followed protocol institutional procedure process of taking classes and time management of the institutions
- * I am very happy to express my feelings regarding working conditions of the school unpleasurable.
- * Other teacher and head master supported me and some times motivated and worked like a team to performing given tasks
- * My head master is very discipline in executing tasks and time management
- * In this connection we support each other in sharing works related to the tasks and maintaining harmonious relationship in the school

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

- * In the age of information technology every school has been transformed into digital oriented school my school has a smart classroom to disseminate knowledge to the students
- * no virtual classes in the school the teacher only piece of chalk written the black board
- * Students are written the note books no virtual classes some duller students are teach teacher by using teaching learning materials
- * Improve the duller how to improve the duller
- * In this improve some duller are one teaching improve the duller said by teacher
- * I am paying much more attention to the technology adopted by the school to explain every aspect of teaching to the explain every aspect of teaching to the students easily absorbable
- * And under standable this attaches the students attend the class regularly

* without dropping so I have acquired 'used time' technical skills in the initial class and technologically Implementation

* I got rich experience in bonding of classroom student, Teacher and All class student

* In this school attachment teacher and student in this school missing the student and missing the Cowable teacher

Result:-

The teacher in future all talented in with me become a teacher

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.)

I have planned according to duration of the Internship and working schedule of the Institution to acquire managerial skills for better performance in future

Entire internship period I have and acquired self management skills team management and overall managerial skills I am well equipped with workman ship and productive use of institutional option extent of my ability under

the nature of work and given working schedules for the head of my Institution I derived a plan set a goal and finish my task

over all performance in the institution from my side of satisfactory I have acquired self confidence and decision making and problem solving in relevant to the work I lead a team with the help employees in the institution to achieve to given tasks I learned how to the performance and interact with the students in the class room.

48

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

In this institution (school) I took Internship 4 monthly period. During this period I think I have proved by various skills especially communication skills. I would like to describe here about improvement in different components.

I improved my communication skills from teacher in the school. The Internship experience given me confidence to me to speak well and conversation with others.

I liked my self specific improvement. Communication and written communication skills, learned conversational skills, learned conversational skills, greeting others and thanking and appreciating others with maintaining protocols of the institution.

I have attained the ability to understand to others and answering the questions asked by students with calm and confident manner and participating important points to the receiver end.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

As an Intern training in the school I have participating the maths day and science day pongal celebrations In this school, total no. of Internen students are 1 number the Team of me's school Intern some activity (TIM) material In science day 24th class students TIM [teaching learning materials] Heart lungs, kidneys explain it maths day celebrations student's are Speeches and I wrote it prepare the Speech the 4th student Speech I learn out

I and my friend Teaching learning materials Telugu, science, maths english TIM make it How - a - days the principal + sir doing the activities write the learna word lesson plan work book in teach the students

I participate the lion's club party President of lion's club and this meeting attend the Commissioner teach the wonderful words

(5)

wants to socials I participate the celebrating
new year and pongal celebration group discussion
in the schools during one person 4 students
with me

(51)

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

In this not fine (not attached the parents)
In this school Construct work is not finished made
no Development not this school In this no
development because of made - made no virtual
class In this school I observed no of students
is decreasing why? Students are don't like this
school because no benches and no lecturer In this
school first observed only 2 teachers (Principal, Sirs)
In this elementary school 5 class no teacher
staff now - a days 2 no of staff is 2 Sirs one
Sir I observed no gate not development In this
school name MPP school Ramakrishnapuram Techindal
skills are not improvement in this school

First I observed students are nice
Government is develop in this school and MPM
is Astra patra food is tasty In previous new
a-days food is fine but very is fine

Student Self Evaluation of the Short-Term Internship

Student Name: BEJAWADA KARTHIK

Registration No: 2022001066 003

Term of Internship:

From: 07-12-2021 To: 18-03-2023

Date of Evaluation: 23/03/2023

Organization Name & Address: M.P.P school Ramakrishnapuram

Please rate your performance in the following areas:

Rating Scale:

Letter grade of CGPA calculation to be provided

1	Oral communication	1	2	3	4	5
