Subject: Information Regarding Admissions, Reservation Categories, and Scholarships on the Jnanabhumi Portal

Respected NAAC Team,

This is to bring to your attention that all information pertaining to admissions, reservation categories, and scholarships for our students is now fully integrated into the Jnanabhumi portal. The Government of Andhra Pradesh has optimized the process through this digital and paperless platform to enhance transparency and efficiency in the administration of Post Matric Scholarships (PMS) and other educational scholarship schemes.

Students from SC, ST, BC, Minorities, Kapu, EBC, and Differently Abled communities can now easily access comprehensive details on scholarship eligibility, application procedures, and related matters via the Jnanabhumi platform. The initiative is part of our continuous efforts to ensure that the scholarship process is streamlined, with timely and accountable disbursements.

We encourage all students and prospective applicants to visit the Janmabhumi portal and also we circulate all relevant information to regularly inform about the latest updates and to complete any necessary actions regarding their admissions and scholarships.
