Detailed Report:

In this week, I have developed my skills such as teaching skills. I have come to know that I have learn so many things in this journey. I have development my communication skills, managerial skills, Interactive skills, Teaching skills and other skills which enhanced me very well.

I come to know few good things and also some problems which. I have tried to solve and made better out of it.

I learn about being a teacher. work and monthly as an internal in the work place.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Internals work environment is one of the aspects of internals quality as addressed in this report. The people at M.P.N.P school Venkanna gori pita. we are good interactive staff we were given a chance for our role is to enhance the students observe them. And any other negatives. analysis, all activities by students and staff. our timings are from 9.00 AM to 3.30 PM (morning to evening)

The principal and teachers are very polite and humble to me. The students are very friendly and interactive which made me socialize with them very easily the others interns were also very co-operative in work. we are

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

I have known about how to put my knowledge and skills into practice such as maintaining. I learned how to communicate and build relationship. I learned how with the people I worked learned that every dept (or) organization has its own culture. I quickly learned that every company has its own culture. As a Intern I discovered it's essential to be enthusiastic and open to learning new skills. I learned that it's important to communicate with teachers and principal. If I have any doubts, I can ask and clarifying. feed back is more important.

It is essential to take note of both the positive that sometimes asking for feed back or receiving feed-back is difficult to hear but it will have a significant impact on your future careers and success.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

There are also some managerial skills have acquired from this internship.

I learned how to effectively deal with people developing managerial skills, is important to as professional as a team we planned about scheduling with respect to time and we all acted as a leaders for every work. We arranged our work place culture for productive use of time.

We have kept notes for observing every one improvement weekly wise we will discuss about all pros and in our working style we all have kept our goals for this journey. We also have developed our decision making skills which are very essential in further as per the final day we have discovered about our performance is upgraded.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

We have improved our Communication skills in this internship at M.P.U.P school Veeranna gari peta, Srikakulam.

As we have been interacting with each other students we have improved our oral Communications and written Communications as we are assigned to classrooms. At first day, we may feel these out now we are confident while Communications or Conversation, understanding others. ---

We also come to getting understood by others we improved our speech skills from prepared level of formal student to an intern we have also developed few teaching skills in our way which made students better.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

Team work is one of the most important skill in that work place. We the interns of M.P.U.P school VECanna gari put'a. formed as a team to enhance and improve our work in an efficient way.

Firstly as we have no formality with each other gradually it took time and we have also become a supportive team.

Every week one of us will lead the team to take leadership we have discussed with each other about work, performance.

Working as a team members and also as a leader made known about how to work as a team members its role in the team in my way to interact, co-operative and manage them as a unity in every activity. It gave the experience and knowledge about teamwork.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

The government has taken a big step taken in implementing technology in educational system to digital transformation of school.

The headmaster updates the information of school through small phone. They scan perfaces of the students for checking every teachers and principal to made school attendance through virtual method and digital method.

They Conducated digital class with using Powerpoint. The help of fiber net and playing videos etc. . . .
