Instructions to Students

Please read the detailed **Guidelines on Internship** hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete 2 months (180 hours) of short-term internship either physically or virtually.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements of transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the persons working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned with a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - Data and Information you are expected to collect about the organization and/or industry.
 - Job Skills you are expected to acquire.
 - Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.

12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.
13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. **Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.**
15. At the end of internship you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during internship programme, you are the ambassador of your College, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your College.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

Each work is systematically managed

Application program - 1 digital assistant

job verification - 1 welfare assistant.

pure - applied - VAO

final - applied - mppol mro

Everyone is using the technology hand
work to avoid duplicacy and damage
interference in another the
credibility of any system.

1. Biomature division

2. Android smart phone

3. IRI scanner

4. face automation.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

I deal - time governance
practical practice which is very realistic
and given the imagination competence.
analytical skills.

Every work in the bounded and
cannot be neglected whole world in
observing the delivery decision making
is very important.

For data any time, productivity
knowledge in next - should, secondary
planning and hierarchy the productive
for implementation.

This is the leadership, team work
behaviour, workmanship, productive use time
goal setting in projects and gamma
world sachivalayam, working and projects in
planning and training.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

My communication skills are moderate and I improve myself with communication different people in different places.

My written communication in English improve if by writers says evastion scription thought.

My confidence levels are very high and I will continue with the same.

My activities level are very low. I am very patient and intent to make when every I face anything. I learn more anxiety management technology.

Describe how you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

I also encourage others to participate in the discussion to share their views.

I always conclude the group discussion in a formal yet friendly manner.

Always speak with point to point and don't try to improve I will be clear of what I am saying.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

Fighting things:

- * Handling of smart phones
- * Bio metric division
- * IRIS scanning
- * face Authentication programme.

which given the iterative procedure of the report.

Scanners: using E-Pad machine in PD1

Threats: * using 'Coli & 'REVEN'
* and the naming programme programme.

(using 'Flow' in identification of milk in and Alignment programme).
