WEEKLY REPORT

WEEK - 5 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report: This week I noticed my skills. my the teaching methodology is vary much flexible and personalized. herbut approach is name "new-age" method "my personalized may encourage life long learning with real life practice. I think having on the personal stake on change rigidity in turn teacher interacting with having recommendation.

I kept my approach having on low-risk because the students period was limited and high-tech approach would require consumers because student low-learn approach for my the students.

The flexible approach helped me alot to maintain contact with over. the class of the innovative needs and interest and apply all the learning environment is a constant making distribution and discussion and ideas.

ACTIVITY LOG FOR THE SIXTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I relaxed the conditions at the where school learning	ad leaving the road in village industry.	✓
Day -2	I went to industry through empowerment.	I understand situation on communication.	✓
Day -3	went to the having on along with activities	I got to know the nature of students.	✓
Day -4	Today I went to learn participative having	I learned how to say an important.	✓
Day -5	Today I went to school to old maths 'improvement'	I learned how to class method.	✓
Day -6	Today I went school to old having communication	I thought having got along.	✓

Shanku

WEEKLY REPORT

WEEK - 6 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

This week, I kept low teach, because the kathi village indership period was limited and high teach would assume consumers confotable didn't having class need having multiple increasing communication increasing method

The last individual consumer having limited eventually english limited on the occasion increasing having improvement.

my teaching methodology was a balanced having communication both traditional white process inculation method learning on method's process of learning.

This approach having the communication while having according on the getting investment accomation having regarding investment control investment.

ACTIVITY LOG FOR THE SEVEN WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day -1	I noticed the condition on the industry today	At leading industry	✓

Day - 6	Today I went to School and told the maths class student's.	I thought how Student's should get along.	✓

Shail

WEEKLY REPORT

WEEK - 10 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

I noticed this week. I think that students take their own time and one should be patient with student's because learning is a process in itself which should be (comfortable) confused with competition for example. I would ask question in my class first to student's who are willing to answer and then to those left this way student's could take (him) their own time. listen to other student's get prepared and then answer to my observation this technique helped student

The information technology agreement individual industrial assestion on information organized noticed this week on the amount received pack increased organized increased enumeration official amount in the recommendation on the basic template of the basic overview recommendation internship organized abstract.

ACTIVITY LOG FOR THE ELEVENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	Today notice condition school annual system	at overview on basic template.	✓
Day - 2	I work at postcard on basic template.	I understand on annual system.	✓
Day - 3	on annual system on basic template.	annual average system	✓
Day - 4	Today I want school internship	I learned basic template.	✓
Day - 5	Today want on organization template.	The annual review system	✓
Day - 6	Today wanted on the basically template	I thought on should being	✓

Shaul

WEEKLY REPORT

WEEK - 11 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

This week I noticed my skill. my teaching methodology is vary. much fixability on personalized annual average system.

The research development organized proposed basically template annual investment increasing learning environment discussion the basically template.

I think my fixable annual of learning these internship overview on basically template learning.

ACTIVITY LOG FOR THE TWELVETH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I notice the condition of the internship	at school overview increasing	✓
Day - 2	The labours having period	I understand the situation child	✓
Day - 3	ward organised home contemporary good	The communication terms	✓
Day - 4	The basic temperature	The having an recommendation	✓
Day - 5	Today ward school and told the increasing	I learned how say class	✓
Day - 6	ward homeing method	I thought having consumer protection	✓

Spur

WEEKLY REPORT

WEEK - 12 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

This week: teach kept my having low - teach on internship are limit having on the basically having consume more limit think have class need on the multiplied at this point on post increasing

The internship: provided basic template eventually didn't happen because geography having on the concept clarity having facts

my teaching methodology was a balance blend traditional and modern teaching method. The process of learning in my class still process. place place attachment having tradition basically organised environment

The traditional of my class having template increased having protected investment organised.

ACTIVITY LOG FOR THE THIRTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	noticed the condition of industry where because today	The kadhi village learned to be shoud,	✓
Day - 2	want to basic on the environment.	I understand on distualion the environment.	✓
Day - 3	The basic tempzose	The investment achement	✓
Day - 4	Today on environment at on the	on visit on basic tempzose	✓
Day - 5	sholy want communication	Adversdiment	✓
Day - 6	communication.	Throught overview	✓

Shauri

WEEKLY REPORT

WEEK - 13 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

The observation was conducted within the class room the two major purposes for class room observation is 1. To investigate instruction inequalities for different group of students & improvement of class room instruction based on individual response.

There were 25 to 30 student's in the class on a regular basis. more often it use to be a mixed of special and general english student's who are needed different approaches of teaching. we are teacher's not psychologist of face readers and so it was not possible had individual faces and guess but observation was done on the bases of 1. frequency of (learning). Answer giving 2. frequency of asking doubt's 3. class participation. 4. will to get teachers attention all these ways helped me to observe the state of mind and interests of student's. which further helped me in teaching the student's on a daily basis.

ACTIVITY LOG FOR THE FOURTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I noticed the condition of the School where I go to School today.	At School I learned what I should be	✓
Day - 2	I went to School today and thought maths class.	I understand the Situation of children.	✓
Day - 3	went to School today and got along well with student's.	I learned how to tell children	✓

Day - 5	Today i went to School and told the maths class student's.	I learned how to say class.	✓
Day - 6	Today i went to School and told the maths class student's.	I thought how student's should get along.	✓

Shanu

WEEKLY REPORT

WEEK - 14 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

My observation on daily bases was indeed. So my observation was done on the bases of Student's frequency of answer giving 2 Student's frequency of asking doubt's 3. Student (will).class participation 4. student note making 5. student will to get teachers attention all these way's helped me in teaching the Students on a daily bases. This also helped me in connecting a daily bond that what would go further beyond on instructor - student relationship by observation Student's "behavior". it was easier to contemplate the amount of attention different individuals need and hence helped me to enhance my teaching method's and approaches acknowledge focus areas and divide attention accordingly.

The internship report has been made on both experienced and heavech bases as to sync the experience and observation with the prevailing norms methods and ethics for the purpose of explanation. it's my skill edu observation.

ACTIVITY LOG FOR THE FIFTEENTH WEEK

Day & Date	Brief description of the daily activity	Learning Outcome	Person In-Charge Signature
Day - 1	I noticed the condition of the school where I go to school today.	It should be: I learned what I should be.	✓
Day - 2	I went to school today and thought maths class.	I understand the situation of children	✓
Day - 3	went to school today and got along well with student's	I learned how to tell children	✓
Day - 4	Today I went to school today and participated cultural activities with the children.	I got to know the nature of the student.	✓
Day - 5	Today I went to school and told the maths class students.	I learned how to say class.	✓
Day - 6	Today I went to school and told the maths class student's.	I thought how students should get along.	✓

Shankar

WEEKLY REPORT

WEEK - 15 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

This week I noticed that since our students are afraid in regular class room on efficiency comfortable learning

The obtain learning english on aggritude efficiency significance case to the teacher addition is absolutely significance the contemporary productive learning

The economic product and the practice phase child labour agreement basic temptore contemporary common good on the basic temptore being instrument.

The observation the boost the economic product student can benefit has reducing wages process.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

In this department experience is the mother of learning and the interesting suggest of the experience learning which need. An internship is a period having hand students industry benefit taking exposure working environment, solving specific field of study.

The internship can be done for a short period of time two months soft skills having on the basis of internship understand particular field can be achieved. It also students shows three aspects of the job.

The purpose short period industrial on training great achievement internship programme have the communication process, creative problem solving regarding evaluation.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

In terms of industry development my teaching skills my evaluation methodology was a balanced blend of both terms having modern teaching programme while process traditional teaching method. The english method about practical having consumer protection.

The double electricity sessions was not a way all slip for us properly and my first lesson is behaviours of students and how to behave voice of officers of new skills.

The whole process on the basic temperature examination great teaching providing good getting passed examination which session.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

In terms of relationship me and my friend are the completed daily. my friends on the completed move they plane completed successfully completed eastern didactic teaching and evaluated on the basic tempuse all teacher of instrument basicaly teaching talks & others should be using a teacher models and capotily of prospective

All understand that contemporary teaching is more complex than on realized because a teacher on having different from each other domain contemporary common good procedure. The teacher having goal. communication method having method.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.)

The internship I was development organised investment individuals animal produce endempest method tradition any other method great communication. The social context animal produce people knowledge mental personal required

The case business of teaching should be development an application knowledge people on organised padhi village industrial capacity efficiency actively class rooms industrial training

The communication process on associational internships development educational department evaluation on basic tempore having activity lab instrument is called padhi village.

Describe how you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

The teams. Teaching refers to the on the slide in and general principle used classroom instrument teaching of the matter on the depends on the fit you.

I will to explain my teaching methodology logic learns of theory authority traditional modern, having instrument approach complexity extend on basic template. The low-read student because I about my student on the main teaching evaluation method give-take animation product.

I chose "low-read, having the basic instrument probability evaluation method on the ensure evening take post organised even learning basic filled employed vessel complexity common good

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

From the last decade 'most education instrument having switched modern, which basically having an organised digitalisation method. Room-teaching use of complex connection being organised while-board led projects having shown class room teaching use of class room better

modern teaching method making the instrument helped basically template on the communication method. The teaching microphone organised digitalisation method.

The visual media helps of students understand better position longer time modern basic template and phone. my special observation class room teaching development organisation.

Student Self Evaluation of the Short-Term Internship

Student Name: DAVARA DURGAPASARAD
