**Describe the managerial skills you have acquired** (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

I achieved the real-time governance procedural practice which is very realistic and given time management, competence & holding skills.

Every work is time bounded and can't be neglected, whole world is observing the manage activity & decision making is very important.

For doing any task, professional knowledge is must & should, secondly planning and thirdly the procedure for implementation.

**Describe how you could improve your communication skills** (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

My communication skills are moderate and I improve myself with communication with different people in different places.

My written communication improves by writing my evolution script / thoughts.

My confidence levels are very high and I will continue with the same.

My anxiety level is very low, I am very patient and listen to music whenever I feel anything, & I learn more anxiety management technologies.

My speech ability is moderate and it will be improved by communicating skills.

I always greet every one when I see them & thank them whenever they do good things.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

In group discussion, I always space with point to point and don't log the improve. I will be clear of what I am saying.

I also encourage others to participate in the discussion to share their views.

I always conclude the group discussion in a friend & formal manner.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)
