CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

- * Internships are generally thought of to be reserved for college students looking to gain experience in a particular field. However a wide variety of people can benefit from training internships in order to receive real world experience and develop their skills.

An objective for this position should emphasize the skills you already possess in the area and your interest in learning more. Internships are utilized.

Some internship is used to allow individuals to perform scientific research while others are specifically designed to allow people to gain first-hand experience working.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

Skill the abilities to do something well, many people claim that are skilled in certain activities. Skill can be deciding factor in whether you will be successful or unsuccessful. In certain activities in your life firstly the communication skill. The communication occurs in a variety of ways but primarily interested in your abilities to write to speak professionally.

As an intern you will likely collaborate with other interns and company employees. Your ability to communicate and relate well to others is certainly important for collaboration is the important to work with others to words a common goal.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

- * management skills are the practice of understanding, developing and deploying people and their skills management abilities and traits needed to perform certain duties, usually as it prefers. to overseeing a team such as solving problem communicating well and motivating employees.
- * Can do manage the one skill that is bring some people together to explain the elections and awareness and the resurvey. This is very useful to our real time that is firstly about resurvey.
 - To ensure your properties is free of any trees
 - After conducting a land survey is necessary to apply for a Land survey also is discussed. That is first you need to contact the Thasildar of the mandal.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

I can improve my communication skills as the part of villages and about Jagananna schemes

In the part of villages I think about how is life in the village and do you have enough resources and also is life easy here. There are many questions raise in my mind so I can prepare a essay on my village.

The life in my village is full of contentment and happiness, as people are not in a houses like in cities. Life of village people like a very simple life. My village is also a backward village. I also experience these conditions.

Describe how could you enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

In the period of internship I know about the civil supplies like in the part of rice card services that is How to apply new rice card already having rice card house member addition. How to add members below 5 years old also I learn. and documents required for rice Card application I learn.

AP Government decided to issue new rice card to all the eligible families of the state whose total annual income of a family is less than 1,00,000/- per year.

To apply for the rice card the candidate visit to the nearest sachivalayam and submit required documents and fill the form and do what the Digital assistant says. People who are below the (BPL) below poverty line they can apply rice card.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

I Learned a lot of things during this Internship period. Like Government schemes Pensions, Raithbarosas, vidhya deevena, vasathi deevena YSR ASASXA, etc...

People of Andhra pradesh were in four a superwise on the independence day of 2023 flag hosting. we conduct rally's in our village. we went to schools and motivate school children about our nation.

we distribute pensions to the persons who are eligible. we take complaints from the people of the village.

we do swatch bharat & swatcha-sachivalayam programs in our sachivalayam. and I learned a lot of thing in sachivalayam during this internship period.
