CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

In four mainly long Internship Programme I have observed and experienced above the working conditions and relations with employees in the school are harmonious and acceptable

I learned so much from the existed employees in the school with great extent

They have given wonderful support in discharging my duties and value in efficient way

I have followed protocol institution procedure process of taking classes and time management of the institution

I am very happy to express my feelings regarding working conditions of the school unpleasant

Other teachers and head master supported me and some times motivated and worked like a time to perform given tasks

my head master is very discipline in excluding tasks and time management

and problem solving is central to the
institution to achieve to given task I
learned how to the performance and interact
with the students in the class room.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.)

In this institutional (school): I took Internship
in monthly period during this period I think
have proved by various skills especially
communication skills would like to describe
have about Improvement in different day to day
work or in different components

I communication skills from teacher in
the school the Internship experience given
have beyond confidence to me to speak well and
conversation with others

I liked my self specific improvement
communication and written communication skills
learned conversational skills learned conversational
skill - getting other's and training and
appreciating other's with main training protocols

of the instructions

I have attained the ability to understand to others and answering the questions asked by students with cool and confident manner and articulating important points to the necessary end

food is fine but carry is fine

Describe the managerial skills you have acquired (in terms of planning, leadership, work behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.)

I have planned according to duration of the internship and working schedule of the institution acquired managerial skills for better performance in future.

During my entire internship period I have acquired self management skills team management skills I am well equipped with workman ship and productive use of institution's option extent of my ability under the head of my Institution I devised a plan set a goal and finish my task.

Overall performance in the institution from my side is satisfactory I have acquired self confidence and decision making

(Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience))

In the age of information technology every school has been transformed into digital oriented school. My school has a smart classroom to disseminate knowledge to the students.

No virtual classes in this school. The teacher only places chalk written on the blackboard.

Students are written the books. No virtual classes. Some duller students are taught by using teaching learning materials.

* Improve the duller. How to improve the duller.

* In this improve some duller are one teaching improve the duller said by teacher.

* I am paying much more attention to the technology adopted by the school to explain every aspect of teaching to the explain every aspect of teaching to the students easily understandable.

* And under studentable this attaches the students attend the classes regularly.

- * In this connection we support each other in sharing wants related to the jobs and maintaining harmonious relation ship in the school
- * I got rich experience in bonding of classroom students teachers and all class students
- * In this school attachment teachers and students in this school making the students and making the Cowable teacher

Result:-

The teachers in future all talented in with me become a teacher
