Acknowledgements

First I would like to thank Rythu Bharosa Kambam for giving me the opportunity to do an Internship for giving Internship within the organization.

The success and wonderful of this internship project requires a lot of guidance and endorsement from many people in the endskill organization.

I also would like all the people that worked along with me and Sachivalayam. With her patience and openness they created an enjoyable working environment.

I am highly indebted to direction and Principal for the facilities provided to accomplish this Internship.

Contents

1. chapter :- Executive summary
2. chapter :- overview of the organization
3. chapter :- Internship Part

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have a brief executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

This report is result of 15 weeks internship during the internship it is required to study the organization department of the organization and critically relate the theoretical aspects of the organization in the practical situation I got an opportunity of getting practical knowledges about the village secretariats in Andhra Pradesh about I joined Tel chintada sachivalayam-1, village secretariate.

At last I must say that this report is designed to simulate curiosity about grama sachivalayam work in andhrapradesh. during this time period I learn so many things related to time management. then work leadership auntities those quites so many helpful to me to service in an organization.

CHAPTER 2: OVERVIEW OF THE ORGANIZATION

Suggestive contents

- A. Introduction of the Organization
- B. Vision, Mission, and Values of the Organization
- C. Policy of the Organization, in relation to the intern role
- D. Organizational Structure
- E. Roles and responsibilities of the employees in which the intern is placed.
- F. Performance of the Organization in terms of turnover, profits, market reach and market value.
- G. Future Plans of the Organization.

Grama ward sachivalayam [also know as village secretari-ate] are secretariety setup in the Indian state of Andhra Pradesh to decentralize the administration by making services and welfare services of all government departments available at one place Andhra Pradesh was the first state in India to launch village secretariate. Government of Andhra Pradesh appointed village volunteers to deliver services. It was launched an ganthi concept of Grama sachivalayam that promote village be coming self sufficient. auto no villages secretion was one of the promise made by Y.S.R Jagan mahan Reddy during his Praja Sankaya Yentre.

CHAPTER 3: INTERNSHIP PART

Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired.

As the internship program organized by the government in order to select the aware and interact with working of departments they selected.

Grama sachivalayam was the organized which I choose. the candidates between 18 to 42 years of age are eligible for A.P. grama sachivalayam Gram. the require educational qualifications are different according to the different posts.

There were some schemes are introduced in the government of Andhra Pradesh like YSR Amma vadhi scheme, YSR. Rice card, YSR Havarathalu scheme, YSR Vasathi Devena etc.... which helps the citizens of Andhra Pradesh to some and to have on basic education for the children. these schemes are applied to the people belonging to below poverty line [BPL] families in the states.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

I Experienced a very good working environment with professional knowledge of kind of people in the this organization all the are very punctual in attending the office.

They had shown an interest in technology and how the system working and administration activities are handled in a procedural manner.

The time they spent for us in being working schemes are appreciated programme.

The Digital Assistants are used for helping in learning advanced and needs at this members for accountability which keeps the system trust and worthy.

I am satisfied myself of this organization [Gram ward sachivalayam] protocols, and working culture each work is systematically managed.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

Application program - Digital Assistant
field verification - welfare Assistant
third party verification - Administrative staff

Pre - Applied - VRO

final - Applied - MPDO/ MRO

Every one is using the technology based work to avoid duplicity and improve transparency in the eligibility of any scheme.

- (1) Bio-metric Division
- (2) Android smart phones
- (3) IRIS Scanners
- (4) face authentication.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

I achieved the real-time governance procedural predefined which is very realistic and gives management competence & along with skills.

Every work in there is bounded and can't be digital whole world is observing the activity & decision making is very important.

For going doing anything firstly practical knowledge and secondary planning and thirdly the procedure for implementation.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

My communication skills are modified and improved myself in communication of different people in different places.

my written communication as per improved it by writing evocation scription/ thoughts

my confidence level is very high and I will continue with the same.

my Anxiety level are low. I am very much patient and listen to music when I feel anything if I learn more anxiety management technology.

my speech ability is moderate and it will be improved by communication skills.

I always create every one when I see them if those like whenever do good things.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

First thing :-

1. Mondling of smart phones
2. Bio-metric division
3. IRIS scanner
4. Face Authentication programme

which given the realistic production.

secondly :-

using E-POS machine in PDS

Thirdly :-

using 'Cop; &' reviews' in land es. namely program

- using ~~arrows~~ in identification of marks in

land alignment program.

Student Self Evaluation of the Short-Term Internship

Student Name: PALAKA VAMSI
