Instructions to Students

Please read the detailed Guidelines on Internship hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete 2 months (180 hours) of short-term internship either physically or virtually
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements for transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the people working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - a. Data and Information you are expected to collect about the organization and/or industry.
 - b. Job Skills you are expected to acquire.
 - c. Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns, and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.

13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.
15. At the end of internship, you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during the internship programme, you are the ambassador of your College, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your College.

Acknowledgements

- * I am deeply grateful to all STAFF members to the sanaveedhi ward sachivalayam and also my mentors and advisors during this Internship for their valuable advice and guidance. Their industry experience and expertise helped me to better understand the company and the industry and allowed me to make the most of my internship.
- * Throughout the Internship the sanaveedhi ward Sachivalayam provided me with valuable insights and guidance that helped me to navigate my tasks and responsibilities.
- * They were always available to answer my questions and provide support and their wisdom and experience helped me to grow as a professional. I am thankful for their time and support, and for sharing their valuable insights with me.

* I am grateful thanks for sanaveedhi ward Sachivalayam support and the opportunity they have provided me their financial assistance allowed me to focus on my internship and my professional development and I am thankful for their commitment to helping me succeed. I hope to continue working with Sachivalayam in the future and to make the most of this invaluable opportunity.

* Finally, I would like to thank for providing the funding and support that enabled me to complete this internship without their assistance. I would not have been able to gain this valuable experience.

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have only a one-page executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

The organisation that I had choose is Sanaveedhi ward sachivalayam. The a zenda of this organisation is to serve the people of the sanaveedhi Sachivalayam. The Government of Andhra pradesh has released some schemes to the sachivalayam to impleated in the Srulikulam. Here are the service persons in this organisation are allocated some Particular sectors to do. These are total nine sectors under head of the organization.

The above figure explains that the people whose team was led by the head of the organisation. Administrative secretary who is named is Suresh Kumar sir where I had worked. I observed many qualities in him like leadership, time management and negotiation skills regarding the discussion with their organisation members. The whole team working with the unity and determination. Hence, the work seems to be easy then, when there are no distractions among them. After that the most hard worker behind the Administrative secretary is ~~digital~~ Assistant ward education & data processing. The whole data gathered at a place via is ward education & data processing. is entered into computer and hence it is easy to access their ward details in ~~is~~ instant time.

CHAPTER 2: OVERVIEW OF THE ORGANIZATION

Suggestive contents

- A. Introduction of the Organization
- B. Vision, Mission, and Values of the Organization
- C. Policy of the Organization, in relation to the intern role
- D. Organizational Structure
- E. Roles and responsibilities of the employees in which the intern is placed.
- F. Performance of the Organization in terms of turnover, profits, market reach and market value.
- G. Future Plans of the Organization.

- * TO serve the people of the ward by several assistants in sanaveedhi ward sachivalayam lead by ward administrative secretary.
- * TO Implement the several schemes and programmes in the ward, which was accused by government of Andhra Pradesh.
- * The head of the department planned in advance to initiate their plans in the ward and then divide to several individual to Implement their plans.
- * Sachivalayam is the organisation, which I was worked by 1. ward Administrative secretary is the head of the organisation.
2. Revenue secretary

3. ANM 4. ward Education & data processing .
5. ward welfare & development secretary 6. Amenities
Secretary 7. ward planning & regulation secretary
8. Health secretary 9. ward environment & sanitation
Secretary.

* The source and responsibilities of above
mentioned people are to give services to the
people of the ward sachivalayam.

* There is no profit or marked value for
the organisation which I had selected.

* Introducing new schemes and programmes
to the people of the ward sachivalayam.

CHAPTER 3: INTERNSHIP PART

Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired.

While we are working here, we acquired some knowledge regarding several skills we have performed many tasks given by the Sachivalayam members here by we used several equipments like Fingertips thumb Impression smartphones and some several devices to elaborate the ideals in the ward Sachivalayam. We have took some responsibilities in this Internship period which includes the several services. We had gathered some details of the Sachivalayam in a database to accomplish their data into the several sites.

They had given by us some responsibilities to go forward in maintaining services in the ward Sachivalayam went into the ward Sachivalayam and did survey about regarding their issues and distractions.

By the Influence of Administrative Secretary
I had acquired some managerial skills

They are:-

1. Team work
2. leadership
3. Management
4. Strategic thinking
5. time management.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

A work environment in job description by creating an accurate picture of what potential employee can expect by explaining your company's core value and the experience of current employee. Positive working environment provide several benefits for both employee and employer. Having a positive working environment is a great way to increase your work output where grow happier you may be more productive and more equipped to complete your tasks efficiently. Thus, can also help you come a better employee. Which leads mainly and promotions.

A positive working environment has a clean atmosphere that leads to greater productivity. When you're able to work with minimal distractions, you're more likely to stay on task and accomplish more of your diverse responsibilities.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

Technical skills are qualities acquired by using and gaining expertise in performing physical or digital tasks. There are many different kinds of technical skills. Traditionally people working in mathematics, computer science and information technology have used many technical skills. Today however, many more industries value an employee with technical knowledge. Ex:- Retail and Food service. Awareness often need to know how to use point of sale software.

- * Programming language
- * Common operating system
- * Software proficiency
- * Technical management
- * Data Analysis.

Technical skills vary widely between industry any job type but computer programming knowledge of various coding language is considered a technical skills.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

management skills are a collection of abilities that include things such as business planning, decision making, problem solution, communication, delegation and time management.

Planning:- planning is a vital aspect within an organization in line with it refers to one's ability to organize activities in line with set guideline while still remaining within the limits of the available resources such as time, money and labour. it is also the process of formulating a set of actions or one or more strategies to pressure and achieve certain goals or objective with the available resources.

Communications:-

possessing great communication skills for a manager. It can determine how well information is shared through about a team. How well a manager communicates.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

1. Listening Skills:-

To communicate well you need to listen given a person your full attention near what they're saying usually and non verbally and consider their thoughts.

2. Non-verbal communication:-

The message a person communicates isn't just spoken. It's non-verbal to improve communication you need to pay attention to you and the other person body language tone of voice, eye contact, posture and facial expression verbal communications and body language's must be in sync to convey a message clearly.

3. Emotional awareness:-

Improving communications means working toward emotional intelligence or keen understanding of your emotions and the emotions of those around you.

4. Questioning skills:-

To create a two way flow of communication. it's important to develop questioning skills when communicating with someone also sufficient questions that can daily the conversation mainpoint.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

- * It's leadership it usually less directive than that of a meeting.
- * Leading a discussion group is not same as suming a meeting.

Participation in teams:-

Participating in a team promotes an atmosphere that fosters friendship and laughter. This may motivate employees to work harder. It helps individuals to possess communication skills, strengths and habits.

Contribution as a team member:-

The APMC connects articles on contribute advices each team to share a personal strength and how it contribute to making a successful whole environment.

• Leading a team/activity:-

Team building is a management technique used for improving the efficiency and performance of the whole groups through various activities. It values a lot of skills, analysis and observation for forming a strong and capable team.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

Technology allows you to understand how effective your training and development is by tracking Employee knowledge before and offer the Process.

Real-world practice is the gold stem of how to learn something because you have to apply new knowledge before it can really become your own.

Technology can facilitate the kind of development and learning were always needed and that were continue to need as we encounter and overcome new challenges in the world of business.

Technology based training learners can be more engaged because they can control their learning environment and pace.

The main role of technology is occurring using, critiquing and communication in educating from a variety of sources and in a variety of ways. technologies change etc? of technological development is the overall process of investment, innovation and diffusion of technology of process.
