Instructions to Students

Please read the detailed Guidelines on Internship hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete 2 months (180 hours) of short-term internship either physically or virtually.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements of transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the persons working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned with a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - Data and Information you are expected to collect about the organization and/or industry.
 - Job Skills you are expected to acquire.
 - Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.

12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.
13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. **Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.**
15. At the end of internship you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during internship programme, you are the ambassador of your College, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your College.

ACKNOWLEDGEMENTS

I went to school every day and actually went to school and taught the children. Also I was disciplined every day and treated the students miserably. I checked about Amma vadi, Togananna vidyakanuka for every student in the school. I also had lunch as part of the mid-day meal plan. Govt provides nutritious food. All the Teachers in the school also teach very well. There are more students. I taught the general knowledge I knew. I taught Telugu, English, Mathematics and Environment Science

I hereby declared that the above statement is true. but if you can punish me punish. this is a Real Program. I organized this program in MPL ES PATHINIVANIPETA, Amadalavalasa. it's true

Thanking you

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have only a one-page executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

In my opinion a Comprehensive report should be prepared on how the current education system will be implemented and how the education system should be the future by teaching every single student in the school.

Also, I think that in the future employment opportunities will be available in terms of education

CHAPTER 2: OVERVIEW OF THE ORGANIZATION

Suggestive contents

- A. Introduction of the Organization
- B. Vision, Mission and Values of the Organization
- C. Policy of the Organization, in relation with the intern role
- D. Organizational Structure
- E. Roles and responsibilities of the employees in which the intern is placed.
- F. Performance of the Organization in terms of turnover, profits, market reach and market value.
- G. Future Plans of the Organization.

In the future, by implementing the scheme today, changing the shape of the school and giving every student a chance to study in the school, every mother should also study their children in the government school, so that the school will develop very well, and the principals and teachers should keep in mind the future of the student and give every information. Think and convey to the student

CHAPTER 3: INTERNSHIP PART

Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired.

In the school, every student is conducting Quiz Competitions and playing games in the week. Physically, every student is at the forefront. Study hours also organised for every student to study actively. We also organized drilling. Because of that, the teachers also expressed happiness.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

The facilities in the school are very good. Also, teachers also come to the school daily. All programs are also well done. Schools start at 8:30 in the morning and dismisses at 3:30 in the evening all the children also listen very well.

Also, all the children in the school were divided into groups and given special lessons. I think they still have a lot to learn. On the day of the school today the scheme has not yet been selected. But the teachers after some every student to every boy thinking to some society.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

I went to the school and prepared a report on how the present education system will be and how the future education system should be. The facilities in the school are very good. Also, teachers also come to the school daily. All programs are also well done.

I am happy to explain all students in the school. By staying in school, I see the possibilities of getting employment opportunities in the future and by staying in school, I have prepared a report understanding what educational plan should be implemented in the future.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

My thoughts are that students should be a leader and divide them into groups and every one should work hard so that they can understand each subject.

I also played games for all the students every week and also got to know the future plan of each student.

In my opinion they should study in the future and get job opportunities soon.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

The president of School also said very well about the children that we should respect them and respect them outside so etc...

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

When I was not divided into groups, as a member of a the group I handled each student subject differently and efficiently. The facilities in the school are very good. Also, teachers also come to school daily. all programs are also well done.

I went to the school and prepared a report on how the present education system will be and how the future. Also teachers also come to the school daily all programs are also well done

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

I used to explain YouTube lesson to all school students and through those lessons I tried to help them develop their technical knowledge.

I went to school every day and I told every day students how to acquire such development skill and I learned them myself.

I am very happy to open YouTube to every student in the school and show the audios in this video so that everyone can understand.
