### Problems:

- In our ward have water fully Polluted due to huge storage of waste water.
- Four Years before my village water was Purged like distill water but due to construction of flyover beand my village. The road was near to village boarder.
- This case the waste water was stucked near their houses. That's why our ground water was fully polluted.
- Our whole village suffering from water Pollution and drinking water.

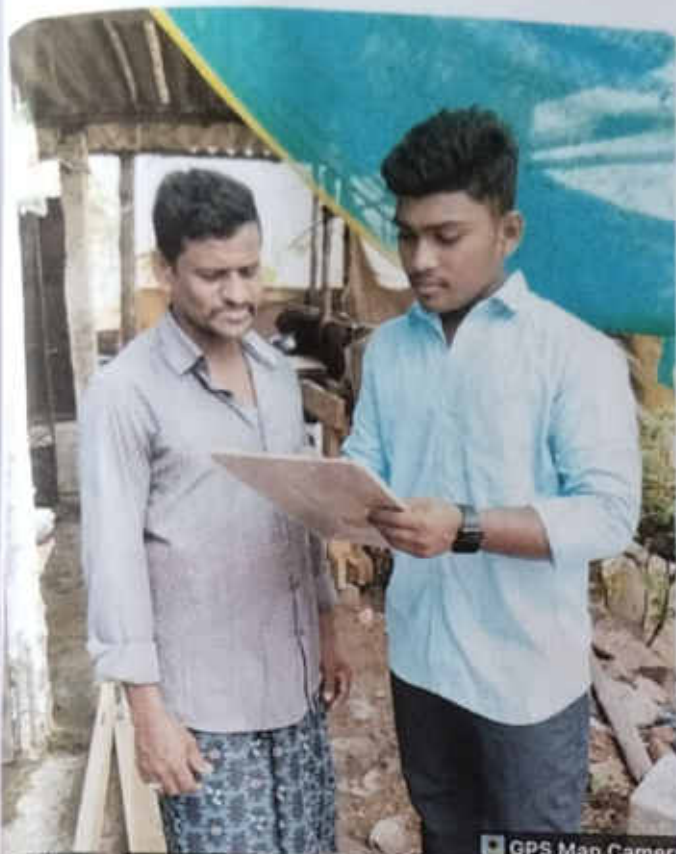

### Report:

To implement for direct Government taps for each house. To get release of water problem. And possible to improve availability of water for drinking.
