Problems:

In our ward have insufficient excess to in our ward.  
Due to impact of low income and technical solution common  
cation

Lack of sustainable developing of drinking water.

And the dirty water has standard over flowing on road, then  
it is flowing into the streets.

In fact very bad and create to us for which may to  
spread of dengue, malaria and other diseases.

Report:

Implementation of direct borewell recharge or govt tap  
connection as possible to improve the availability of water  
for drinking.

- Divert excess of water and improve drainage system in our  
ward
