R.No :- 222200105294

Area of survey :- Vaddanavalasa

problems :-

In our ward - have insufficient - excess in our ward

Due to impact of low income and technical solution community - look to sustainable development of water

and - the dirty water has started over flowing on road, and it is flowing in the streets

In fact, very bad and risk to water which may be danger and health problem attack.

Report :- Implementation of direct borewell recharge or govt tap connection as possible to improve availability for water drinking

* Direct excess of water and improve drinking system in our ward.
