Community Service Project

Defining:-

Community Service Project is work done by a person or group of people that benefits others. It is often done near the age of an area where you live.

So you don't get paid to perform Community Service. Some times food & small gifts like t-shirt, are given to volunteers.

Community Service can help any groups of people in need; children, senior citizens, people with disabilities. It can also help animals, such as those at a shelter and at local park, historic building or Community Service is often organized through a local group, such as place of work, school or non profit organisation.
