CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Interns work government is at the
specifies its interns quality addressed in this
report and people at HCS School & Angula
Mabai Street are good and very well interacted
we were given a desk for our work with basic
things like chalk pieces and duster etc. . . our role
any other negative analyse all activities by students
and staffs, our timings are from 9:00 am to
3:30 pm.

The headmaster and the teachers are very
polite and humble to me the students are very
friendly and interactive with me & we socialise
with them very easily the other interns were also
very co-operative in work.

we and the interns as a team are very active
and focused on the work. we were also given
a room for our process which made our
internship very useful for us.

Describe the managerial skills you have acquired in terms of planning, leadership, team work, behaviour, workmanship, productivity, use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

there are also some managerial skills I have acquired during internship. I learned how to deal with people effectively. Developing managerial skills is important to all professions as a team we planned about scheduling with respect to time and we attached also traditions for every week we arranged in work place culture productive use of time.

we have kept notes for observing every improvement during work for week we all discussed about all pros and cons in our working style we all have kept our goals for this journey we also have developed our decision making skills which are very essential for further as per the flow day we have found that our performance is upgraded.

Describe how you could improve your communication skills in terms of improvement in oral communication, written communication, understanding others, getting confidence levels while communicating, anxiety management, articulating the key points, doing the understood by others, extempore speech, ability to articulate the key points, doing the conversation, maintaining, varieties and protocols, greeting, thinking and appreciating others, etc.,)

We have improved our communication skills a lot in this internship at MES School Aragal Mahal Street, Sri Kalakulam. As we have been interacting with each student we improved our communication skills as we are assigned to class rooms of first day we felt some tension but now we are confident while communicating or conversing with others.

We also came to know that how to understand other people we also improved our speaking skills from prepared level to extempore level. We have ourselves from a student to an intern we have also developed teaching skills in a way which made students to feel better.

Describe how could you enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

Team work is one of the most important skill which is very useful in every work place and the internet of our school. Anugachari Forest, Srikalahasti formed a team to enhance and improve our work man efficiency with unity. Initially we have no familiarity with each other. Gradually it took some time and we become a supportive team. Every week, one of us will lead the team to work. In our relationship we also discussed with each other about our work and performance working as a team members and also a leader made me know about how to work as a team member and our role in team. The way has to interact and co-operate and how to manage unity in every activity. This internship gave a positive experience and knowledge about team work.

Describe the technological developments you have observed and relevant to the subject area of training focus on digital technology relevant to your school.

The government has taken a big leap in implementing technology in education system to amplify digital transformation of schools.

The first school of digital transformation started, so far.

Some was devices in their pockets.

The headmaster updates the information of school through smart phones. They scan devices of the

students for checking and updating their attendance

every day not only for students but also for

other staff members now it is a biometric

system for their attendance.

There is also a smart TV which can used for

teaching primary classes in a practical way

through digital library when compared to

previous system is every student we have

also used to technological devices for our

tasks related internship to improve digital

literacy in even when the students are

leaving for school. It is also recorded

under headmaster's signature and also

documented.
