Instructions to Students

Please read the detailed Guidelines on Internship hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete Semester internship either in V Semester or in VI Semester.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements for transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the people working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - a. Data and Information you are expected to collect about the organization and/or industry.
 - b. Job Skills you are expected to acquire.
 - c. Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns, and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.

- D. Organizational Structure
- E. Roles and responsibilities of the employees in which the intern is placed
- F. Performance of the Organization in terms of turnover, profits, market reach and market value.
- G. Future Plans of the Organization.

A. Introduction of the organization:-

I worked in internship for 4 months in M. P. P School, etherla. Srikakulam in Education department. This department plays a role in every sector and I observed many things in the school.

In school the children are beyond to knowledge. I interacted with them in a polite manner. I spent the most valuable moments with them. The students are very poor in studies as we observed.

The students are not able to understand the basic things in their books. They are not able to understand the concepts of their standard textbooks.

So, I planned to develop a few roles in the school. I am prepared and took a challenge to improve & motivate children & their interest towards the studies.

B. Vision, Mission & Value of organization:-

In this organization was very useful and I am develop my skills like Teaching skills, learning skills & so many we have learned in this school. And the government organizing this project like 'Intenshi' it is very useful for every students and the M.P.P school in Educational departments in this school.

C. policy of the organization in reaction of the

Intern role :-

I have a good ~~tolernship~~ internship in that 4 months in M.P.P school, etherla, Sriakulam. Time Managements

Objective of the Internship:

Detailed Report:

In this entire week, I completed all the syllabus and all the records were completed.

It is the last week of our internship. It is very difficult to leave the children & school. We are very friendly & we are deeply connected with the children. At first I didn't like this. But once I started in this school, I don't want to leave them. My heart felt very bad and hard to leave those children's smile.

I distributed them chocolates and sweets to faculty teachers. Spent time with them, talking with all of them is a special feeling. Internship had to be closed and we have to leave for colleges.

Thank you all for supporting us.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Government M.P.P school etherla, srikakulam:

I have done my 4 months [Long term] internship in M.P.P school, etherla, srikakulam district. This is primary school from 1st to 5th classes only. Two teachers were there in this school. Time management & discipline of the teachers was good. Our internship team is so much of supporting & good time management. This is a good & deep motivation for us. By doing internship we got a chance to prove ourselves. Our stamina and ability to live in a society, leadership qualities were achieved by me. Faculty members are also very supportive. This is the best part of my internship.

Describe the real time technical skills you have acquired (in terms of the job related skills and hands on experience)

Technical skills & Hands on Experience :-

In this internship, i acquired the leadership qualities & teaching qualities, discipline Punctuality. In my teaching career, this was the best part i should remember. This technical skills improved my qualities. From this qualities i can start my teacher profession. At first i have my very stage fear. But when i started teaching the students, i don't know when i lose my fear. I am very joyfull to teach them. I am very happy to participate in this internship. children are very happy to see me and my teacher. they were Super Excited for my classes. I am thankful to each & Everyone who supported me.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

Planning :- We planned to attend the school on time. we planned and followed punctuality.

Leadership & Team Work :-

For this internship, we formed a team that can enhance our leadership qualities & new ideas, we achieved leader qualities and new experiences as teacher.

Weekly Improvement :-

I observed a huge difference in weekly classes. I observed a big difference in almost 5 weeks. We noticed children are more interested to our lessons. They are very active & loyal to us. Small children are very cute & sweet.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.)

There are also some skills I have achieved from this internship. I learned how to deal with people effectively. Developing skills is important to all professions as a team we planned about scheduling with respect to time & we all acted as a leaders for every week.

We arranged our workplace culture for productive use of time. We have kept notes for observing every improvement throughout the week.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

Team work is one of the most important skill which is very useful in every work place. At the internship of M.P.P school etherla. form as a team of enhance and improve work in efficient way.

Every week one of us will lead the team to took leadership. We also discussed with each other about work & Performance.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

The M.P.P School of Rhesla was very good in their proceedings. The updates & information of school through smart phones they scan faces of the students every day not only for students but also for other staff members now its a biometric system for their attendances.

there is also a smart TV which is used for teaching primary upper classes in a practical way.
