CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Interns work environment is one of the respects of interns quality addressed in this report. the people of MES school Anugula mahal street are good and very nut interacted we were given a desk for our work with basic things like chalk pieces and duster etc...our role is to whance the students observe them and any other negative our things are form 9:00 AM to 3:30 pm.

the headmaster and the teachers are very police and humble to me the students are very friendly and interactive with made me socialise with them very easily the other interns were also very co-operative in week

we are the interns as a team are very active and focussed on the work. we were also given space for our process which made our "Internship" very useful for us .

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

there are many technical skills I have acquired from this internship".

I have come to know about how to put my knowledge and skills into practise such as mentoring. I learned has to communication and build relationship with people I worked. I learned that every department or organisation has its own culture. I quickly learned that every company has its own culture. As a intern. I discovered its essential to be enthusiastic and open to learn new skills. I learned that its very important to communicate with teachers and headmaster if at all I have any doubts asking and receiving feedback is very important.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

there are also some managerial skills I have acquired from this "internship".

I learned how to deal with people effectively. Developing managerial skills is important to all professions as a team. We planned about scheduling with respect to time and we all acted as a leader for every week. We arranged our workplace culture for productive use of time.

We have kept notes for observing every improvement throughout the week. We all improvement discussed about all pro's and con's in our working style. We all have kept our goals for this journey.

It is essential to take note of the positive and negative points for their. I learned that sometimes asking feedback or receiving feedback is difficult to hear, but it will have a significant impact on our carries and success.

We also have developed our decision making skills which are very essential for further.

As per the final day we have found that our performance is upgraded.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

We have improved our communication skills a lot in this internship at MES school, Anugula mahal street, SriKakulam.

As we have been interacting with each student. We improved our communication skills as we are assigned to class rooms of first day we felt some tensed but now we are confident while communicating or conversing with other.

We also come to know that how to understand other people.

We also improved our speaking skills from prepared level to extempore level.

We developed ourselves from a student to an intern. We have also developed few teaching skills in a way which made students to feel better.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

Team work is one of the most important skills which is very useful in every work place.

We the interns of MES school Anuguted Mahal street, Srikakulam formed as a team to entrance and improve our work in an efficient way firstly we have no familiarity with each other.

Gradually it took some time and we become a supportive team. Every week one of us will lead the team to take leadership we also discussed with each other about our work and performance.

Working as a team members and also a leader made me know about how to work as a team member and our role in team. The way has to interact and co-operate and how to manage unity in every activity.

This internship gave a fruitful experience and knowledge about team work.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

the Government has taken a big leap in implementing technology in education system to amplify digital transformation of schools.

the MES school of Anugula mahal, street, srikakulam uses devices in their proceedings.

the headmaster updates the information of school through smart phones. they scan faces of the students for checking and updating this attendance every day. Not only for student but also for other staff members now its a biometric system for their attendance.

there is also a smart TV which can be used for teaching primary classes in a practical way through digital literacy when compared to previous system every student we have also used the technological devices for our task related to internship to improve digital literacy in school even.

when the students are leaving from school, it is also recorded under headmaster vision and also documented.
