WEEKLY REPORT

WEEK - 15 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

In this week I have developed my skills such as teaching, mentoring, communicating, managing and team work active participation when compared to the previous weeks.

I have also observed about the school environment, students' performance and all the surroundings and I also interacted with them and gave them advices and tried to solve them in other ways.

The students also have been performing very well in all activity

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Interns work Environment is one of the aspects of Interns quality addressed in this spot -the People of MEG School Anugula mohal street are good and very neat in decorated we were given a desk for our work with basic things like chalk pieces and duster etc... our role is to enhance the students observe them and any other negative analyse all activities by students and staffs our things are from 9:00 AM to 3:30 PM.

the head master and the teacher are very polite and humble to me the student are very friendly and interactive with made me socialise with them very easily the other interns were also very co-operative in work

we are the interns as a team are very active and focused on the work we were also given space for our process which made our "Internship" very useful for us.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

There are many technical skills I have acquired from this "Internship". I have come to know about how to put very knowledge and skills into practice. such as meeting I learned has to communication and build relationship with people I worked I learned that every department organisations has its own culture I quickly learned that every company has its own culture as a intern I discovered its essential to be enthusiastic and open to learn new skills I learned that its very important to communicate with teachers and headmaster if all I have any doubts.

asking and receiving feed back is very fat that its consented to take note of the positive and negative points for that I learned that receiving feed back is out to hear but if will have a great impact on our career and success.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

There are also some managerial skill I have acquired from this "Internship"

I learned how to deal with people effectively development managerial skills is important to all profession as a team we planed about scheduling with respect to time and well acted as a leader for every week we arranged our work place culture for productive use of time

we have kept notes for observing every improvement throughout the week we all discussed about all pros and cons in our working style we all have kept our goals for this journey we also have developed our decision making skills which are very essential for further.

As per the final day we have found that our performance is upgraded.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.)

We have improved our communication skills a lot in this internship at HES school Anugula mohal street Srikakulam

As we have been interacting with each student we improved our communication skills as we are assigned to class 7poms of -First day we are assigned to class 7poms at -First day we felt some tensed but now we are confident while communicating or conversing with others.

We also came to know that how to understand other people we also improved our speaking skills from prepared level to extempore level. We developed ourselves from a student to on Intern we have also developed few teaching skills in a way which made students to feel better

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

Team work is one of the most important skill which is very useful in every work place.

In the interns of MES school, Aungub Motah Street Sripakulam formed as a team to enhance and improve our work in an efficient way. Firstly we have no compatibility with each other.

every week one of us will lead the team to take leadership we also discussed with each other about our work and performance working as a team members and also activities made me know about how to work as a team member and our role in team the way has to interact and co-operate and how to manage unity in our activity this internship gave a fruitful experience and knowledge about team work.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

The Government has taken a big leap in implementing technology in education system to amplify transformation system to amplify digital transformation of schools.

The MES school of Raugulamahal Street Srikakulam was device in this proceedings.

The Headmaster updates the information of school through Smart Phones they scan faces of the students for checking and updating this attendance every day. Not only for students but also for other staff members now is a biometric system for their attendance.

There is also a smart TV which can used for teaching primary classes in a practical way through digital literacy when compared to previous system is very student we have also used the technological devices for our task related to internship to improve digital literacy in school even when the student are leaving from school it is also recorded under headmaster vision and also documented.
