Contents

This The school, MPUPS Jellukoda Rive in srikulam in their feed back love and support with which I chieced skills and development.

Last and most importantly I would like to thank those who made this report possible and home a reality with their kind assistance.

The main content is How to Teach a child with love and affection how to content with children.

CHAPTER 1: EXECUTIVE SUMMARY

The internship report shall have a brief executive summary. It shall include five or more Learning Objectives and Outcomes achieved, a brief description of the sector of business and intern organization and summary of all the activities done by the intern during the period.

I worked in the internship in the Department of Education. I visited the place is Gellukonda Revu Srikakulam of 7600 Srikakulam I. choose education. department to know the current status of the education and difference from past few years I spend a day with ideal learning and observed many things.

The intereducation is very friendly and very shake through this internship I know that these are other decided areas which had to be improved I teach with the children and tell them to know their problems and what they are facing through.

I thought some problems to them and I gave few solution improve them which should be clear by government.

These are the other decided areas which had to be improved.

CHAPTER 2: OVERVIEW OF THE ORGANIZATION

Suggestive contents

- A. Introduction of the Organization
- B. Vision, Mission, and Values of the Organization
- C. Policy of the Organization, in relation to the intern role
- D. Organizational Structure
- E. Roles and responsibilities of the employees in which the intern is placed.
- F. Performance of the Organization in terms of turnover, profits, market reach and market value.
- G. Future Plans of the Organization.

I worked in the education department I worked in PORS ch school gellukoda Revu sikalam 7 road are education department plays an important role in school is every sector I served many things in school that the childrens are having lack of knowledge so my interaction with students very friendly and more valuation I spent nearly 18 hours with the childrens and I got to know that students performing was very poor the students performing was very poor the students are about to understand the basic things. I played the role of teacher a school and shared very few things planned to develop and improve the school environment with my knowledge to give the best.

CHAPTER 3: INTERNSHIP PART

Description of the Activities/Responsibilities in the Intern Organization during Internship, which shall include - details of working conditions, weekly work schedule, equipment used, and tasks performed. This part could end by reflecting on what kind of skills the intern acquired.

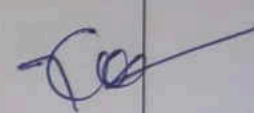

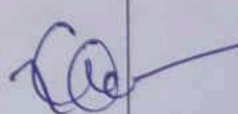

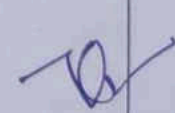

I worked in mpops school Jellu Kodu Sene. Syikakulam at a road in syikakulam in the education department worked in govt. school and I though also so the students. I also used black board and

I also performed some tasks with the children so that to encourage them in participating. I also conducted weekly tasks like games quite, then activities to the children.

The part of internship take me to learn more knowledge about education system specially in school.

I also performed some interesting games to the children to do some skills dance etc.
