Interns work government is one of the aspects of interns quality addressed in this report. The people of mes school An Paradesipalem main street are good and very not interacted we were given a desk for our work with basic things like chalk pieces and duster etc... our role is to enhance the students, observe them activities by students and staff our things are from 9:00 AM to 3:30 PM.

The headmaster and teacher are very polite and humble to me the students are very friendly and interactive with made me socialise with them very easily. The other interns were also very co-operative in work.

Describe the real-time technical skills you have acquired (in term of the job-related skills and hands-on experience)

There are many technical skills I have acquired from this "Internship". I have come to know about how to put my knowledge and skills in to practise such as mentoring. I learned has to communication and build relationship with people. I worked. I learned that every department or organisation has its own culture & quickly learned that every company has its own culture. As a Intern. I discovered its essential to be enthusiastic and open to learn new skills. I learned that its very important to communicate with teachers and headmaster if at all I have any doubts.

we see the interns as a team are
very active and focused on the work. we
were also given space. for our process which
made our "Internship" very useful for us.

Describe the management skills you have acquired in areas of planning, decision making and balancing relationship priorities and what exactly demonstrated the effectiveness you arrived at in solving performance issues etc.

-there are also some managerial skills I have acquired from this " Internship ". I learned how to deal with people effectively. Developing managerial skill is important in all professions as a team, we planned about scheduling with respect to time and we all acted as a leaders for every week. we arranged our workplace culture for productive use of time.

we have kept notes for discussing every improvement throughout the week, we all discussed about all pros and cons for our working style we all have kpi our goals for this journey. we also have

asking and receiving feedback is very
start it is essential to take note of the
positive and negative points for them.

I learned that sometimes as king
feedback or receiving feedback is difficult
to hear, but it will have a
significant impact on our careers and
success.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

we have improved our communication skills a lot in this internship at npup school, Paradesipalem main street. Srikakulam mandal. As we have been interacting with each students. we improved our communication skills as we are assigned to class rooms of first day we felt some tensed but now we are confident while communicating or conversing with others.

we also come to know that how to understand other people. we also improved our speaking skills from prefased level to extempore level. we have also developed few teaching skills in as way. which made students to fell better.

our decision making skills which are very essential for further.

As per the final day we have found that our performance is upgraded.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

team work is one of the most important skill which is very usefull in every work place.

we the interns of MPUP school. Pondesipalem main street, srikakulam formed as a team to enhance and improve our work in an efficient way firstly we have no familiarity with each other.

gradually fit took some time and we became a supportive team.

every week. one of us will lead the team too took leadership we also discussed with each other about our work and performance. working as a team members and also a leader made me know about how to work as a team member, and

and role in team. The way has to
interact and co-operate and how to
manage unity in every activity.
This internship gave a fruitful
experience and knowledge about team
work.

Describe the technological developments you have observed and relevant to the subject area of learning (mention any specific technologies relevant to your job role)

The government has taken a big leap in implementing technology in education system to amplify digital transformation of schools.

The MPP school of Paradesipalem main street, Srikakulam uses devices in their proceedings

The Headmaster, updates the information of school through smart phones. They scan faces of the students for checking and updating this attendance everyday. not only for students but also for other staff members now fits a biometric system for their attendance.

There is also a smart TV which can used for teaching primary

classes in a practical way through digital literacy when compared to previous systems & every student we have also used the technological devices for our task related to internship to improve digital literacy in school even. When the students are leaving from school, it is also recorded under headmaster's vision and also documented.
