## Instructions to Students

Please read the detailed Guidelines on Internship hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete Semester internship either in V Semester or in VI Semester.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements for transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the people working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
  - a. Data and Information you are expected to collect about the organization and/or industry.
  - b. Job Skills you are expected to acquire.
  - c. Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns, and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.

13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.
15. At the end of internship, you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during the internship programme, you are the ambassador of your College, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your College.

## CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

- ⇒ In 4 months long internship programme, I have observed and experienced above the working conditions and relationships with employees in the school are harmonious and amicable.
- ⇒ I learned so much from the employees in the school with great extent.
- ⇒ They have given wonderful support in discharging my duties and roles in efficient way.
- ⇒ I have followed protocol institutions produces process of taking classes and time management of the institutions.
- ⇒ I observed that work place is very spacious and well ventilator to work freely and happily.
- ⇒ Head master and other faculty supported me and sometimes motivated me and worked like a team to performing given tasks.
- ⇒ In this connection we support each other in sharing work related to the tasks and maintaining harmonious relationship in the school.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

- ① In the age of information technology every school has been transformed into digital oriented schools my school has a smart class room to disseminate knowledge to the students.
- ② No virtual classes in this school the teacher only pieces of chalk written the black board.
- ③ Students are written in note books no virtual classes some duller students are teach teacher by using teaching learning materials.
- ④ Improve the dullers how to develop dullers?
- ⑤ Some dullers were improved by using TLM.
- ⑥ And understandable this attaches the students attend the class regularly.
- ⑦ I got rich experience in bonding of classroom students, teachers and all class students.
- ⑧ In this schools attachment teachers and students in this school missing the students and missing the teacher.

Result: The teacher in future all talented in with me become a teacher.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

I have planned according to duration of the internship and working schools of the institution to acquire managerial skills for better performance in future.

Entire internship period I have acquired self management skills, Team management and overall managerial skills. I am well equipped with workman shop and productive use of institutions caption.

Extent of my ability under the nature of work and given weekly schedules for head of my institutions.

I derived a plan set a goal and finish my task.

Overall performance in the institutions from my side is satisfactory I have acquired self confidence and decisions making and problem solving

in extent to the work i. Lead a team with the help employee in the institutions to achieve to given tasks i learned how to the performance and interact with the students in the classroom.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

## Communication skills

- Think before speaking.
- Speaking with confidence what you are want to express.
- Reading is the step to develop or improve speaking and writing.
- conducting group discussions for in some events.
- use proper words for speaking.
- The four language skills (Listening, speaking, Reading and writing) can enhance the communication skills.
- Notice your body language and behaviour.

Describe how could you enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

- conducting small group activities for class.
- make small groups in each group has 5 members.  
that they can discuss for the activities like  
quizzes, letter writings, words writing and  
answer the question to what the teacher has asked?
- Let them participate actively in playing games,  
group activities, class activities for the students.
- Teacher should be active. If the teacher  
like sad face or Irritable may create  
confusion in the class. Children cannot be  
expressive.
- Teacher do the revision of the children or  
students for previous class.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

- Technology in the school education for some projectors and television.
- Through the use of projectors and television can captivate the attention of students or children.
- Children can understand easily what the teacher saying to the class.
- Students can know the presentation of small rhymes, poem in television or projectors to how to pronounce and how the tone.
- Students can pay the attention and concentrate for the added music and some movements in the presentation of poems, rhymes, in technological elements.
