## CHAPTER 5: OUTCOMES DESCRIPTION

**Describe the work environment you have experienced** (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Intern's work environment is one of the aspects of intern's quality addressed in this report. The people of M.P.P. School, Vijayapuram were a good interactive staff. We were given a desk for our work and with basic things like chalk pieces. Our role is to enhance the students, observe them and any other negatives, Analyse all activities of students and staffs. Our timings are from 9:00 am to 4:00 pm (morning to evening).

The headmaster and the teachers are very polite and humble to me. The students are very friendly and interactive which made me socialize with them very easily. The other interns were also very cooperative in work. We as the interns as a team were very active and focused in the work. We were also given space for our process which made our internship very useful for us.

**Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)**

There are some technical skills I have acquired from this internship.

I have know about how to put my knowledge and skills into practice such as mentoring. I learned how to communicate and built relationships with the people I worked. I learned that every department in organization has its own culture. As a quickly learned that every company has its own culture. I intern, I discovered its essential to be enthusiastic and open to learning new skills. I learned that its important to communicate with teachers, head masters, if I have any doubts.

Asking and reading feedback is very important. It is essential to take note of both the positive and negative points in culture. I learned that sometimes asking for feedback or receiving feedback is difficult to hear, but it will have a significant impact on your future career and success.

**Describe the managerial skills you have acquired** (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

There are also some managerial skills I have acquired from this internship.

I learned how to effectively deal with people developing managerial skills is important to all professionals. As a team, we planned about scheduling with respect to time and we all acted as a leaders for every week we arranged our workplace culture for productive use of time.

We have kept notes for observing everyone important weekly wise. We will always discuss about all points in our working state. We all have kept our goals for this journey. We also have developed our decision making skills which are very essential in future. As per the final day. We have discovered about our performance is updated.

**Describe how you could improve your communication skills** (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

We have improved our communication skills in this internship at M.P.P. School, Vjkurtapuram, Buaya Mandal, Srikakulam (dist).

As we have been interacting with each other, students we have interacting with improvement of our oral communications written communication as we are assigned to class rooms. At first day, we may feel tense, but now we are confident while communication as we conversing, understanding others.

We also come to getting understood by others we improved our speech skills, from prepared level to extempore level. We have developed from a student to an intern. We have also developed few teaching skills in our way which made students better.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

Team work is one of the most taught after skills in the workplace. We, the interns of M.P.P.S School, vykuntapuram formed as a team to enhance and improve our work in a efficient way.

fristly as we have no formality with each other gradually it took time and we have also become a a supportive team.

Every week one of us will lead the team to took leadership. we have discussed with each other about work, performance.

working as a team members and also as a leader made me known about how to work as a team. member. It's role in the team in my way to interact, co-operative and manage them as a unity in every activity. It gave me experience and knowledge about teamwork.

**Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)**

The government has taken a big leap in implementing technology in education system to amplify digital transformations of schools.

The M.P.P. School, Yekuntapuram of Srikakulam uses devices in the procedure. The headmaster updates the information of school through smart phone. They scan faces of school make their attendance through face scan method.

There is a smart I.V which can be used for teaching practically for students more than academic syllabus in both Telugu and English medium. When compared to previous systems that are followed in government school. Also, the present system followed by our school is very enhanced, upgraded and enriched in every standards we have also used the technological devices for our tasks related to Internship. Even, when the students are learning from school. It is also recorded under head master vision and is document.
