CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Inter's work Environment is one of the aspects of intern's quality addressed in this report. The people of MPUP School, Gudum, were a good interactive staff, we were given a desk for our work and with basic things like chalk them and any other negatives, Analyse all activities by students and staffs our timings are from 9:00 Am to 3:30 pm.

The headmaster and the teachers are very polite and humble to me. The students are very friendly and interactive which made me Socialize with them very easily.

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

There are some technical skills i have acquired from this internship.

I have know about how to put my knowledge and skills into practice such as mentoring. I learned how to communicate and built relationships with the people i worked.

I learned that every departement of organization has its own culture. As a internship, I discovered its essential to be enthusiastic and open to learning new skills. I learned that important to communicate with teachers Headmaster if i have any doubts Asking and reading feedback is very important. It is essential to take note of both the positive and negative points for future.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

There are also have some managerial skills i have acquired from this internship.

① I learned how to effectively deal with people. Developing managerial skills is important to all professionals. As a team we planned about scheduling with respect to time and we all acted as a leader. For every week we arranged our workplace culture for productive use of time.

We have kept notes for observing everyone's improvement weekly wise. We will always discuss about all projects in our working style. We all have kept our goals for this journey. We also very essential in future.

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.)

The Government has conducted this activity. We have improved our communication skills. In this internship at MPUP school, Gudem, Srikakulam.

As we have been interacting with each other students we have improved our oral communications, written communication as we are assigned to class rooms. At first day, we may feel nervous, but now we are confident while communicating as we are conversing, understanding others.

We have also developed few teaching skills in our way which made students better.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

Team work is one of the most taught after skills in the work place. We the interns of MPUP School Gudem formed as a team to enhance and improve our work in an efficient way.

Firstly as we have no familiarity with each other gradually it took time and we have also become a supportive team.

Everyweek one of us will lead the team to took leadership. We have discussed with each other about work performance.

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

The Government has taken a big leap in implementing technology in education system to amplify digital transformations of schools.

The MPUP School, Gudem of Sriakulam uses devices in the procedure. The headmaster updates the information of school through smart phone. They scan faces of the students for checking. Every teacher and headmaster of school make their attendance through face scan. It can be used for teaching practically for students more than academic syllabus in both Telugu and English medium. Even when the students are learning from school, it is also recorded under headmaster vision and is documented.
