In this last week, I feel very satisfied because of the activities of children with the disciplinary nature.

They learn the things carefully what the teacher and I said and they follow those, I like that nature in them.

In the same way, they are very curious for their career and their studies. They have many doubts for their future.

I existed for that, because as their age is very small, their field and I feel very relaxed and good for their better experience.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

Intern's work Environment is one of the aspects of intern's quality addressed in this report. The people of MPP School Ragolu, Srikakulam were a good interactive staff we were given a desk. for our work and with basic things like chalk, pieces. our role is to enhance the students observe them and any other negatives, Analysis all activities by student and staffs. Our timings are from 9:00 AM to 4:00 PM [Morning to Evening]

The headmaster and the teachers are very polite and humble to me. The students are very friendly and interactive which made me socialize with them very easily. The other interns were also very cooperative in work. We are the interns as a team were also given space for our process which made our internship very useful for us.

Describe the real time technical skills you have acquired (in terms of the job related skills and hands on experience)

There are some technical skills I have acquired from this internship.

I have know about how to put my knowledge and skills into practice such as mentoring. I learned how to communicate and built relationship with the people I worked. I learned that Every department or Organisation has the Own culture. I quickly learned that Every company has its Own culture. As a intern, I discovered its essential to be enthusiastic and open to learning new skills. I learned that its important to communicate with teachers. Head master if I have any doubts.

Asking and recieving feedback is very important. It is Essential to take note of both the positive and negative points for future. I learned that sometimes asking for feedback or recieving feedback its difficult to hear but it will have a significant on your future career and success.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

There are also some managerial skills I have acquired from this internship.

I learned how to effectively deal with people developing managerial skills is important to all professionals. As a team, we planned about scheduling with respect to time, we planned about for every week we arranged our workspace culture for productive use of time.

We have kept notes for observing everyone improvement weekly wise.

We will always about all pro's in our working style. We all have kept our goals for this journey we also have developed our decision making skills which are very essential in future. As per the final day we have discovered about performance is upgraded.
