Instructions to Students

Please read the detailed Guidelines on Internship hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete 2 months (180 hours) of short-term internship either physically or virtually.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements of transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the persons working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned with a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - Data and Information you are expected to collect about the organization and/or industry.
 - Job Skills you are expected to acquire.
 - Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.

12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.
13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. **Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.**
15. At the end of internship you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during internship programme, you are the ambassador of your College, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your College.

WEEKLY REPORT

WEEK - 5 (From Dt..... to Dt.....)

Objective of the Activity Done:

Detailed Report:

As per the week I have come to know that I have learnt so many things I have developed my communication also, and developed my interactive skills and got my fearsness and shyness removed with students and also teachers.

I came to know few good things and also some problems which I have tried to solve and made better out of it.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

- * Intern work Environment is one of the aspects of interns quality addressed in this report -The people at ZPLS Ropar were a good interactive staff.
- * we were given a desk for our work and with basic things like chalk pieces
- * The Head master and the workers are very polite and humble to me.
- * The students are very friendly and interactive
- * The other interns were also very cooperative in work, we were focused in the work.
- * we were also given spaces for our process which made our internship very useful for us

Describe the real time technical skills you have acquired (in terms of the job-related skills and hands on experience)

- * There are some technical skills I have acquired from this internship.
- * I have known about how to put my knowledge and skills into practice such as monitoring.
- * I learned how to communicate and build relationship with the people I wanted.
- * I learned that it's important to communicate with teachers & head master if have any doubts.
- * Asking and receiving feedback is very important it is essential to take note of the both the positive.
- * It will have a significant impact on your future career and success.

Describe the managerial skills you have acquired (in terms of planning, leadership, team work, behaviour, workmanship, productive use of time, weekly improvement in competencies, goal setting, decision making, performance analysis, etc.

- There are also some managerial skills I have acquired from the internship
- I learned how to effectively deal with people developing managerial skill is important to all professionals
- we planned about scheduling with respect to time and we all acted as leaders
- for every week we arranged our work place culture for productive use of time
- we have kept notes for observing everyone improvement weekly wise
- we all have kept our goals to this journey
- we also have developed our decision making skills.
- finally we have discovered about our performance is upgraded

Describe how you could improve your communication skills (in terms of improvement in oral communication, written communication, conversational abilities, confidence levels while communicating, anxiety management, understanding others, getting understood by others, extempore speech, ability to articulate the key points, closing the conversation, maintaining niceties and protocols, greeting, thanking and appreciating others, etc.,)

- * we have improved our communication skills in this internship at ZPHS Papalka, ponduru
- * As we have been interacting our oral communication improved with each other students.
- * we have improved written communication as we are assigned to class rooms
- * we are confident while communication. Understanding others
- * we also came to getting understand by others we improved our speech skills from prepared level to Extempore level.
- * we have also developed few teaching skills in our way which made students better.

Describe how could you could enhance your abilities in group discussions, participation in teams, contribution as a team member, leading a team/activity.

- * Team work is one of the most after skills in the work place
- * we the interns of ZPLS Rapaka, ponduru from a team to Enhance and improve our work in an efficient way
- * firstly as we have no familiarity with each other gradually it took time and we have also become a supportive team
- * Every week one of us will lead the team to take leadership we have discussed with each other about work performance
- * Every activity it gave me experience and knowledge about team work

Describe the technological developments you have observed and relevant to the subject area of training (focus on digital technologies relevant to your job role)

- * The government has taken a big lead in implementing technology in Education system to amplify digital transformation of schools.
- * The ZPHS Rapaka, Ponduru uses devices in the procedure
- * The Head master updates the information of school through smart phone.
- * They scan face of the students for checking. Every teacher and head master of school make their attendance through face scan method.
- * There is a smart TV which can be used to teaching practising the primary students more than academic.
- * The syllabus in English medium in every standards we have also used the technological devices.
