STATE COUNCIL OF HIGHER EDUCATION**

(A STATUTORY BODY OF GOVERNMENT OF ANDHRA PRADESH)

PROGRAM BOOK FOR
SEMESTER INTERNSHIP

Name of the Student: yappavita. kumay

Name of the College: Government Degree College (men)
Sri Sankulum

Registration Number: 2022-20250051

Period of Internship: From: 12-12-2022 To: 18-03-2023

Name & Address of the Intern Organization

Andhra pradesh state disaster Response fire
Services department , CES Sri Sankulum

Dr. Br Ambedkar University
YEAR

An Internship Report on
Andhra pradesh State Disaster Response & Fire
Services Department
(Title of the Semester Internship Program)

Submitted in accordance with the requirement for the degree of
Bsc (M.P.C)

Under the Faculty Guideship of

Ravi Kumar

(Name of the Faculty Guide)

Department of physics

Government Degree College (mEN) Srikakulam

(Name of the College)

Submitted by:

yappanika . Kumar

(Name of the Student)

Reg.No: 2022001050051

Department of physics

Government Degree College (mEN) Srikakulam

(Name of the College)

Instructions to Students

Please read the detailed Guidelines on Internship hosted on the website of AP State Council of Higher Education <https://apsche.ap.gov.in>

1. It is mandatory for all the students to complete Semester internship either in V Semester or in VI Semester.
2. Every student should identify the organization for internship in consultation with the College Principal/the authorized person nominated by the Principal.
3. Report to the intern organization as per the schedule given by the College. You must make your own arrangements for transportation to reach the organization.
4. You should maintain punctuality in attending the internship. Daily attendance is compulsory.
5. You are expected to learn about the organization, policies, procedures, and processes by interacting with the people working in the organization and by consulting the supervisor attached to the interns.
6. While you are attending the internship, follow the rules and regulations of the intern organization.
7. While in the intern organization, always wear your College Identity Card.
8. If your College has a prescribed dress as uniform, wear the uniform daily, as you attend to your assigned duties.
9. You will be assigned a Faculty Guide from your College. He/She will be creating a WhatsApp group with your fellow interns. Post your daily activity done and/or any difficulty you encounter during the internship.
10. Identify five or more learning objectives in consultation with your Faculty Guide. These learning objectives can address:
 - a. Data and Information you are expected to collect about the organization and/or industry.
 - b. Job Skills you are expected to acquire.
 - c. Development of professional competencies that lead to future career success.
11. Practice professional communication skills with team members, co-interns, and your supervisor. This includes expressing thoughts and ideas effectively through oral, written, and non-verbal communication, and utilizing listening skills.
12. Be aware of the communication culture in your work environment. Follow up and communicate regularly with your supervisor to provide updates on your progress with work assignments.

13. Never be hesitant to ask questions to make sure you fully understand what you need to do your work and to contribute to the organization.
14. Be regular in filling up your Program Book. It shall be filled up in your own handwriting. Add additional sheets wherever necessary.
15. At the end of internship, you shall be evaluated by your Supervisor of the intern organization.
16. There shall also be evaluation at the end of the internship by the Faculty Guide and the Principal.
17. Do not meddle with the instruments/equipment you work with.
18. Ensure that you do not cause any disturbance to the regular activities of the intern organization.
19. Be cordial but not too intimate with the employees of the intern organization and your fellow interns.
20. You should understand that during the internship programme, you are the ambassador of your College, and your behavior during the internship programme is of utmost importance.
21. If you are involved in any discipline related issues, you will be withdrawn from the internship programme immediately and disciplinary action shall be initiated.
22. Do not forget to keep up your family pride and prestige of your College.

Acknowledgements

this fire station Internship report is due End of a way four month's. It would not have been to possible without the participations assistance of nervous brave and courageous people along the way. this I have to thank's them all.

first I would like to give special graduate to my parents, who gave me an opportunity to keep my step a hand.

I am indebted to my college Teachers and the principal for their Vision Encouragement and Enduring interest in the Internship.

I Extended my graduate to my classmates and Specially to our group members with who I started are my Dark Days together we started our Academic and social problems.

Special thank must be given to be Sir and officers of fire Department in SriKakulam. In this feedback have and support with which I achieved skills and Development lots and much

Importantly, I would like all there who made
This Report possible and borne as reality with their
kind Assistance.

Contents

What are the different classes of fires?

While fire can seem like a big threatening force, it's important to know that there are actually several classes of fires. A fire class can determine how activity it burns, how dangerous it is, and the best way to suppress or put it out. The 5 different classes of fire each have their own best approach to put them out safely and effectively.

Here the different classes of the fire:

→ The main classes of fires are categorised by what caused the fire or what the fire was of fuel as follows.

→ Such solid materials such as wood or paper fabric and some plastics.

→ Liquid or gas such as alcohol, other gases or grease.

→ Metals and Electrical fires, others such as another materials distance from the power off which is used sand

personal protective equipment fire hoses and other protective specialized Equipment fire stations frequently contain working conditions and weekly work schedule is planned by a team and Equipment used and tasks are performed.

And I was acquired some kind skills like they working as a team and be punctuality in the working hours and safe precautions and how to use the fire equipment during the Emergency situations.

ACTIVITY LOG FOR THE FIRST WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|------------|--|--|----------------------------|
| Day - 1 | order of control in a fire They are 5 types of fire control | what is use of Control fire in different ways & stop fires. | <i>smj</i> |
| Day - 2 | Explain about the different types of class A, class B, class C, class D, Electrical fire controls. | How to Reduce the different types class to uses what material to control fire | <i>smj</i> |
| Day - 3 | Class A: fire : natural fire B' class : petrol, diesel, kerosin, | In these nature fire To Reduce used water, foam Remove O ₂ , Blanket | <i>smj</i> |
| Day - 4 | C class: gases fire D class: metals fire Electrical fires | In these fire To Reduce used CO ₂ used Distance above another metal, current switch off | <i>smj</i> |
| Day - 5 | Explain about the Education qualification for each cadre fireman - Inter Part. | fireman - Inter SF 0 - any Degree in any University. | <i>smj</i> |
| Day - 6 | Explain about briefly fire station and officers its Details. | ADFO } any DCFO } degree RFO } It quality seniority. | <i>smj</i> |

WEEKLY REPORT

WEEK - 1 (From Dt. 12.12.2022 to Dt. 17.12.2022)

Objective of the Activity Done:

Detailed Report:

order of control fires. In these fire, They are different types of fires order of Control.

1) A class fire

2) B class fire

3) C class fire

4) D class fire

5) Electrical fire

1) A class fire :- The fire which is caused by a natural Resources is called as A class fire.

Reduce :- used to water.

2) B class fire :- The fire which is caused by a Petrol, Diesel, Kerosene is called as B class fire.

Reduce :- used to foam, Remove O_2 , Blanket

3) C class fire :- The fire which is caused by gases fire is called as C class fire.

Reduce :- CO_2 used.

4) D class fire :- The fire which is caused by metals fire are called D class fire.

Reduce :- Surrounding another metals are distance from it

5) Electrical fire :- The fire which is caused Electrical are called Electrical fire Reduce :- Power off, used sand.

ACTIVITY LOG FOR THE SECOND WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person in Charge Signature |
|-----------------------|--|--|-----------------------------------|
| Day - 1 | fire officers Explain Extreme Ladder | I understanding Extension Coddler in fire office | AMR ✓ |
| Day - 2 | next Day Explain Special risk radio practice material Nuclear Explains | I understanding Special risks and Reactive tountra | AMR ✓ |
| Day - 3 | fire office Explain hook Ladder | I understanding hook Ladder in fire office | AMR ✓ |
| Day - 4 | Explained about the Escape Ladder | I understanding from table Ladder in fire office | AMR ✓ |
| Day - 5 | Explain the Equipment In fire office | I Learned the Equipment of the fire office | AMR ✓ |
| Day - 6 | fire office explained the table Ladder | I Learned the table Ladder in fire office | AMR ✓ |

WEEKLY REPORT

WEEK - 2 (From Dt. ^{12. 12. 2022} to Dt. ^{24. 12. 2022})

Objective of the Activity Done:

Detailed Report:

In the 2nd week I have observed the class about their performance in studies and their capabilities I have discussed with them about two study and manage fire Department.

Syllabus:-

I have a Some New classes Regarding their new syllabus and their fire officers more Important to pieces in fire Department classes which they are very active in group Discussions and creative thinking.

I have taken group members are share with Idea giving Information about what talked class we have group to achieve the theme.

ACTIVITY LOG FOR THE THIRD WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|-----------------------|--|--|-----------------------------------|
| Day -1 | 3rd week 1st Day fire officer Explain Snamleel | I understanding Snamleel in the office | gmyo |
| Day -2 | Explain partial fire menship | I understanding partial fire in fire office | gmyo |
| Day -3 | Explained standard watch room procedure | I understanding watch room procedure | gmyo |
| Day -4 | Explained standard Test | I understanding standard test in fire office | gmyo |
| Day -5 | Explained knot Lines | I understanding knots in fire office | gmyo |
| Day -6 | Explained the fire types | I understanding the types fires in fire office | gmyo |

WEEKLY REPORT

WEEK - 3 (From Dt.....^{16.12.2022} to Dt.....^{31.12.2022})

Objective of the Activity Done:

Detailed Report:

In this week I have Developed my fire Department Knowledge skills includal Approach which Enchanced my Communication Skills is very weak.

And I have also interacted with the respected fire Department officer about the system Situations problems etc and the fire operating clasel so that the feel they are in a open space

I have also lowder with fire Department and other staff members which made meather know about how things that happens behind the fire Department.

ACTIVITY LOG FOR THE FORTH WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|------------|---|---|----------------------------|
| Day -1 | Explain fire office Building construction | I understanding Building of the construction | guru ✓ |
| Day -2 | Explain fire officer chemical Extinguisher | I understanding chemi cal Extinguisher | some ✓ |
| Day -3 | Explaining fixed fire fighting In stallations | I understanding fixed fire fighting installation | some ✓ |
| Day -4 | Explain Sprinklets Drenched CO ₂ installations | I Learned Sprinklets Drenched er of CO ₂ | some ✓ |
| Day -5 | Explain plan reading for fire officers | I understanding plan reading | for me ✓ |
| Day -6 | Explain rural fires in fire office | I Learned about Rural fires | some ✓ |

WEEKLY REPORT

WEEK - 4 (From Dt. 02.01.2023 to Dt. 09.01.2023)

Objective of the Activity Done:

Detailed Report:

In this week I have Developed my skills such as fire Department knowledge motivation classes and Managing a team work active participation when to the previous week and more knowledge to fire Department.

I have also observed about the fire station and Reasoning topics and Arithmetic topics and fire Department topics and I have also interacted with them and gave advise and Explained about strategies of competitive exams to solve them in Easier Way.

The fire Department classes also have been very well in all activities.

ACTIVITY LOG FOR THE FIFTH WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|------------|---|---|----------------------------|
| Day - 1 | Explain about storage of hazzards goods | I understanding storage of hazzards goods | A |
| Day - 2 | Explain Gas fires | I Learned about gases fires | sme |
| Day - 3 | Explained about Chemical of heat | I understanding chemistry of heat | sme |
| Day - 4 | Explain air conditing Refridgeration | I Learned air conditing Refridgeration | sme |
| Day - 5 | Explained chemicals Compounds | I understanding chemical Compounds | sme |
| Day - 6 | Explain Electricity | I understanding Electricity | sme |

WEEKLY REPORT

WEEK - 5 (From Dt. 01.01.2023 to Dt. 14.01.2023)

Objective of the Activity Done:

Detailed Report:

In this Weeks I have Developed my skills such as way of Expressing me Knowledge to others for and also I Lost my stage fear. In this four months. Project work my self fear and other skills which Enhanced me very well.

I come to know few good things and also some problems which made things in different way to solve them.

finally I got a Better Experience as a fire Department and it was a nice job through which we can give knowledge to rathers.

ACTIVITY LOG FOR THE SIXTH WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|------------|---|---|----------------------------|
| Day - 1 | Explain mock Drills in Industries | I understand mock Drills | sme ✓ |
| Day - 2 | Explain about awareness programs in schools and college | I understand awareness programmes | sme ✓ |
| Day - 3 | Explained Basic fire fighting | I understand fire fighting | sme ✓ |
| Day - 4 | Explain about fire Safety Skills | I understand fire Safety skills | sme ✓ |
| Day - 5 | Explain about Duties in flood ps and cyclones | I understand Duties in the flood & cyclones | sme ✓ |
| Day - 6 | Explained about first aid | I Learned first aid | sme ✓ |

WEEKLY REPORT

WEEK - 6 (From Dt.....^{16.01.2023} to Dt.....^{21.01.2023})

Objective of the Activity Done:

Detailed Report:

In this entire week we have acquired knowledge about fire Duties and awareness of programmes and mock drills in Industries.

- Awareness programmes in schools and college for telling about the safety precautions for students of during fire and Emergency situations.
- Fire Department Services Explained about first in Emergency and fire and floods situation to rescue methods of fire and floods situations.
- Mock drills are in Industries to prevent fire causes during the work condition in industries. They are aware about fire safety and first aid, rescue skills for people.

ACTIVITY LOG FOR THE SEVEN WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In Charge Signature |
|-----------------------|---|--|-----------------------------------|
| Day -1 | Explained fire prevention in General | I understanding fire prevention in General | gme |
| Day -2 | methods of the Raising Alarm | I understanding raising alarm | gme |
| Day -3 | Explains Action to initiate upon Discovering fire | I understand Initiate upon discovering fire | gme |
| Day -4 | Explained fire fighting Equipment | I Learned fire fighting Equipment | gme |
| Day -5 | Explained fire operator | I Learned fire operator | gme |
| Day -6 | Explains Emergency calls | I Learned Emergency calls | gme |

WEEKLY REPORT

WEEK - 7 (From Dt. 23.01.2023 to Dt. 28.01.2023)

Objective of the Activity Done:

Detailed Report:

In this Entire week I have a Extra Some motivation classes life Self Introduction games to interact with them to know above their state of mind and comment wifly them.

I have also thought them two Lessons from their syllabus in understandable manner so that they have left them they come to know about some New things and I have observed their fire department knowledge

ACTIVITY LOG FOR THE EIGHTH WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|-----------------------|---|--|-----------------------------------|
| Day -1 | Ist Day fire Inspect and maintains Equipments | I understanding inspect and the maintenance Equipments | Ahu |
| Day -2 | Explained fire classes Carry out practices Drills and taken interning | I Learned carry out practices Drills | ppb |
| Day -3 | Explained fire class Control and put out fire | I understanding control and put out fires | ppb |
| Day -4 | Explain fire class Deal with Bomb alerts and floods | I Learned deal with bomb alerts and floods | ppb |
| Day -5 | Explain fire class respond to Emergency calls outs | I understanding respond to s Emergency calls | ppb |
| Day -6 | Explain fire calls manage chemicals or hazardous substance | I understanding manage chemical or hazard Drills | ppb |

WEEKLY REPORT

WEEK - 8 (From Dt. 20.01.2023 to Dt. 04.02.2023)

Objective of the Activity Done:

Detailed Report:

In this Entire week, I have observed about the classes their performance of study and their Education Capability . I have discussed about how to be good and become Better in Fire Department performance.

I have conducted some new Activities Regarding their syllabus and create an Environment in which they are very active group Activities and in fire Department.

ACTIVITY LOG FOR THE NINETH WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|-----------------------|---|---|-----------------------------------|
| Day - 1 | Explain fire classes and Excellence communication | I Learned Excellence in communication | pk |
| Day - 2 | Explain fire classes and Explain compassion | I understanding compassion | pk |
| Day - 3 | Explain fire class First and Sound Decision making skills | I Learn fast and Sound Decision making Skills | pk |
| Day - 4 | Explain fire classes in courage | I understanding courage | pk |
| Day - 5 | Explain fire classes in physical stamina and strength | I understanding physical stamina and strength | pk |
| Day - 6 | Explain fire classes in fire operator. | I Learned fire operator | pk |

WEEKLY REPORT

WEEK - 9 (From Dt. 06.02.2023 to Dt. 13.02.2023)

Objective of the Activity Done:

Detailed Report:

In this week I have Developed my fire department skills from syllabus Lessons to a practical Approach which Enhanced my communication skills is very well.

And I have also interacted with the some new Activities Regreating their Syllabus and create and Environment in which and starts work which made me know things that happens behind fire station.

ACTIVITY LOG FOR THE TENTH WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|-----------------------|---|---|---|
| Day -1 | Explained order of control | I Learned order of control |  |
| Day -2 | Explained about fire organization | I Learned organization |  |
| Day -3 | Explained fire station and officer details | I understand officer details |  |
| Day -4 | Explain Education qualification for each Cadre post | I Learned qualification for each Cadre |  |
| Day -5 | Explain Selection procedure for each Cadre | I understand Each cadre Selection procedure |  |
| Day -6 | Explain promotions of each Cadre | I understand about promotion |  |

WEEKLY REPORT

WEEK - 10 (From Dt. 13.02.2023 to Dt. 18.02.2023)

Objective of the Activity Done:

Detailed Report:

In this week I Learned about
Rules and Services and Complaints of
fire Department.

Fire Department Rules

Our Quick Services :-

- fire attendant certificate
- fire Noc
- Important Circulars
- fire rules
- RTI Act

Public Complaints

- Fire Statics
- fire station List
- Contact fire officer
- photos gallery
- video gallery

ACTIVITY LOG FOR THE ELEVENTH WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|-----------------------|--|--|-----------------------------------|
| Day - 1 | Explain fire class in mechanics of combustion | I understanding mechanics of Combustion | shw |
| Day - 2 | Explain fire class in points. | I understanding points | shw |
| Day - 3 | Explain fire classes in oxygen Required for combustion | I understanding Required for combustion | shw |
| Day - 4 | Explain fire class in ignition Temperature | I understanding Ignition and Temperature | shw |
| Day - 5 | Explain fire classes in fire triangle | I understanding fire Triangle | shw |
| Day - 6 | Explain fire classes in fire presentation. | I understanding fire presentation | shw |

WEEKLY REPORT

WEEK - 11 (From Dt. 20.02.2023 to Dt. 25.02.2023)

Objective of the Activity Done:

Detailed Report:

Fire Department works

Some of their Work Responsibility include :-

- Maintaining fire fighting Equipment and tools
- Operating fire fighting Equipment and tools
- Driving a fire truck.
- providing fire prevention training
- performing Entry Duty at the fire station
- Under taking medical Care in Emergency.

the fire Service now

Responds to hazards material incidents
advanced. Emergence medical situations,
high angle Rescue and confined space
Rescue incidents french and collapse
operations under Water Rescue and
many.

Page No

ACTIVITY LOG FOR THE TWELVETH WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|-----------------------|--|---|-----------------------------------|
| Day -1 | Explained fire emergency action plan. | I understanding Emergency action plan | ✓/v |
| Day -2 | Explained common Causes of Electric fires | I understanding common causes of Electric fires | ✓/v |
| Day -3 | Explained fire Training | I understand fire training | ✓/v |
| Day -4 | Explained about Care of Equipment | I understand checking care equipment | ✓/v |
| Day -5 | Explained checking Equipment | I understand checking of Equipment | ✓/v |
| Day -6 | Explained fire protective clothing | I Learned about protective clothing | ✓/v |

WEEKLY REPORT

WEEK - 12 (From Dt. 27.02.2023 to Dt. 04.03.2023)

Objective of the Activity Done:

Detailed Report:

Most common cause of fire, most common causes of house fires.

Cooking Equipment :-

when a pot or pan over heating of Spactor grease it can take seconds to cause a fire.

→ Heating Equipment

→ Careless Smoking

→ Electrical Equipment

→ Candles

→ Children playing with fire

→ inadequate wiring

Electrical Equipment :-

→ your Electrical appliances don't have cause as frayed cords plug

→ your outlets aren't over loaded with plug

→ you're not overusing an Extension Cords as adaption.

ACTIVITY LOG FOR THE THIRTEENTH WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|-----------------------|---|--|-----------------------------------|
| Day - 1 | Explain the Carbon dioxide Extinguisher System | I understand Carbon dioxide Extinguisher | sub |
| Day - 2 | Explain about fire flash point | I Learned of flash point | sub |
| Day - 3 | fire class in a fire fighting Explained | I Learned fire fighting | sub |
| Day - 4 | Explain Basics of fire fighting | I understand Basics of fire fighting | sub |
| Day - 5 | Explain about fire Rescues | I Learned fire Rescues | sub |
| Day - 6 | Explain fire class respectively protection Devices. | I understand respectively protection Devices | sub |

WEEKLY REPORT

WEEK - 13 (From Dt 05.03.2023 to Dt 11.03.2023)

Objective of the Activity Done:

Detailed Report:

Fire is the rapid oxidation of the fuel in the exothermic chemical process of combustion releasing heat and various reaction procedure at a certain in the combustion flames are produced due flame is else visible portion of the fire.

The hottest part of the flame is the burn so this typically burns with a different colour to the outer edges or the rest of the flame body blue flames are the hottest followed by white after that yellow, orange and red are due to common colours you see in most fires.

ACTIVITY LOG FOR THE FOURTEENTH WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|-----------------------|--|--|-----------------------------------|
| Day -1 | Explain about Tender vechile in fire office | I understand Tender vechile | meg |
| Day -2 | Explained about floods and cyclone Duties | I understand flood's and cyclones Duties | meg |
| Day -3 | Explained Rescue method in fire | I Learned Rescue methods | meg |
| Day -4 | Explained fire Tender vechile Equipment | I understand Tender vechile Equipment | meg |
| Day -5 | Explained Using of fire Equipment | I Learned of Using fire Equipment | meg |
| Day -6 | Explained water capacity of Vechiles | I understand water Capacity of Vechiles | meg |

WEEKLY REPORT

WEEK - 14 (From Dt.....^{13.03.2023} to Dt.....^{18.03.2023})

Objective of the Activity Done:

Detailed Report:

In this week I Learned in fire Department about tender vehicle

Tender Vehicle

Tender Vehicle consists of fire Equipment and Rescue materials like, hydraulic Jacky hydraulic lift, hydraulic Cutters, life jackets and the Generator and lights

- Capacity of water in Tender Vehicle
4500 Litres.
- Tender vehicles are used in cyclones and floods more over in Emergency situations
- Tender Vehicle have one generator it used for lighting at night time at fire place or floods Area.

ACTIVITY LOG FOR THE FIFTEENTH WEEK

| Day & Date | Brief description of the daily activity | Learning Outcome | Person In-Charge Signature |
|-----------------------|--|-----------------------------|-----------------------------------|
| Day -1 | Explained about Contralline | I understanding Contralline | Kyle |
| Day -2 | Explained about the Burning out | I understanding Burning out | Dinesh |
| Day -3 | Explained fire class in Back Burn | I understood Back burn | Kens |
| Day -4 | Explained about Flanking | I understanding of flanking | Dinesh |
| Day -5 | Explained about hot spotting | I understand hot spotting | Dinesh |
| Day -6 | Explained about cold trailing | I understand cold trailing | Kyle |

WEEKLY REPORT

WEEK - 15 (From Dt.....^{12.03.2023} to Dt.....^{18.03.2023})

Objective of the Activity Done:

Detailed Report:

Fire Departments are most commonly a public sector organisation that operate utilization a municipality Country State Nation or Special District private and Specialist fire fighting organisational also exist such as those for air craft rescue and fire fighting.

A fire department contains one or more fire stations with fire engines and may be staffed by fire fighters who may be professional volunteers constant or on-call. Combination fire department employ a mix of professional and volunteer fire fighters.

A fire station also known as fire house or fire hall is a building for storing fire engines and the fire fighting equipment.

CHAPTER 5: OUTCOMES DESCRIPTION

Describe the work environment you have experienced (in terms of people interactions, facilities available and maintenance, clarity of job roles, protocols, procedures, processes, discipline, time management, harmonious relationships, socialization, mutual support and teamwork, motivation, space and ventilation, etc.)

The four months Internship I was Developing a positive work Environment in the fire Department. the fire station should be welcoming and feel like home But it also place of fire work.

- I was I understanding the fire department role in Disasters. Checking Installation and responding to non-fire emergency due to natural and man made disaster of their Duties.
- the fire Department are responsible for training Efficiency, discipline, morale and safety of fire.
- the fire Department Discipline includes fire chief, fire inspector, fire officer all are to attend all serious fires, house collapse and their emergency calls. and guide the officers and staff at all emergency calls.
- and we learnt the fire Safety Skills and Rescue method and first aid of small causes of fire.

Internal & External Evaluation for Semester Internship

Objectives:

- Explore career alternatives prior to graduation.
- To assess interests and abilities in the field of study.
- To develop communication, interpersonal and other critical skills in the future job.
- To acquire additional skills required for the world of work.
- To acquire employment contacts leading directly to a full-time job following graduation from college.

Assessment Model:

- There shall be both internal evaluation and external evaluation
- The Faculty Guide assigned is in-charge of the learning activities of the students and for the comprehensive and continuous assessment of the students.
- The assessment is to be conducted for 200 marks. Internal Evaluation for 50 marks and External Evaluation for 150 marks
- The number of credits assigned is 12. Later the marks shall be converted into grades and grade points to include finally in the SGPA and CGPA.
- The weightings for Internal Evaluation shall be:
 - Activity Log 10 marks
 - Internship Evaluation 30 marks
 - Oral Presentation 10 marks
- The weightings for External Evaluation shall be:
 - Internship Evaluation 100 marks
 - Viva-Voce 50 marks
- The External Evaluation shall be conducted by an Evaluation Committee comprising of the Principal, Faculty Guide, Internal Expert and External Expert nominated by the affiliating University. The Evaluation Committee shall also consider the grading given by the Supervisor of the Intern Organization.
- Activity Log is the record of the day-to-day activities. The Activity Log is assessed on an individual basis, thus allowing for individual members within groups to be assessed this way. The assessment will take into consideration

- the individual student's involvement in the assigned work.
- While evaluating the student's Activity Log, the following shall be considered -
 - a. The individual student's effort and commitment.
 - b. The originality and quality of the work produced by the individual student.
 - c. The student's integration and co-operation with the work assigned.
 - d. The completeness of the Activity Log.
 - The Internship Evaluation shall include the following components and based on Weekly Reports and Outcomes Description
 - a. Description of the Work Environment.
 - b. Real Time Technical Skills acquired.
 - c. Managerial Skills acquired.
 - d. Improvement of Communication Skills.
 - e. Team Dynamics
 - f. Technological Developments recorded.
