Community Service Project

Government Degree College (Men),
Srikakulam

A Project Report

On

Community Service

Submitted in the partial fulfilment of
the requirement for the award of degree of
B.S.C

By

Name :- Rayala. Jahnavi

Enrollment no :- 2222001050042

Semester :- II (MPCS)

Batch :- 2022 - 2025

Under the supervision of

G.V.S. Jagapaul

Lecturer in physics department

Govt Degree College (MEN)

SRIKAKULAM

Declaration

I here by declare that the Community Service project reported Entitled 'WATER FACILITIES AND DRINKING WATER AVAILABILITY' Submitted by me on the Govt Degree College (Men) Srihankulam is partial fulfilment of the requirement for the award of the degree of B.S.C (mpcs) in a record of the project work carried out by me under the guidance of G.V.S. Jayapal Sir. I further declare that the work reported in this project has not been submitted and will not be submitted. Either in part or in full for the award of any other degree in this institute & university.

ACKNOWLEDGMENT

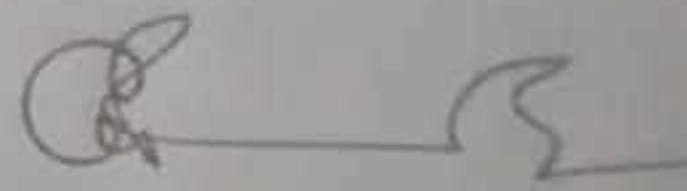

I would like to Express my grati-
-tude to all those who gave me the possibil-
-ity to complete this community service project
Special thanks is due to my Mentor G.V.S Jayaram
Sir whose help to stimulating suggestions and
Encouragement helped me to complete the project

I would like to thank to the
staff from the department of physics for
their able guidance i.e support to complete
the project. I would like to extend my
gratitude to our principle madam for her
tremendous support in completing the project

CERTIFICATE

Certified that this project report
"WATER FACILITIES AND DRINKING WATER
AVAILABILITY" being submitted by R. Jathra
in partial fulfilment of the requirement for
the award of Bachelor of Science in Physics
Department.

Herewith is the record of Bonafide
work done by these worker the supervision
during the academic year 2023-2024

Project guide

G.V.S. Jayapaul

Lecturer in
Physics Department

GPC (M), BRIGHTKULM

Community Service Project

Defining:

Community service project is work done by a person or group of people that benefits others. It is ^{often} done near the area where you live so your own community gets the benefits of your work. you do not get paid to perform community service, although sometimes feel a small gift like a shirt, are given to volunteers.

Community service can help many groups of people in need: children, senior citizens, people with disabilities, English language learners & more. It can also help animals, such as those at a shelter, and it can be used in important places, such as local parks, historic buildings, or even areas as well. Community service is often organized through a local group such as a place of worship, school or non-profit organization.

Back ground:-

Community Service is a non-paying job performed by one person or a group of people for the benefit of their community or the institution.

- It is distinct from volunteering, since it is not always performed on a voluntary basis.

- It may be required by a government as part of citizenship requirements, like the mandatory work and catch-up services for some municipalities in Germany, or general service of military service or civil conscription services.

- It may be required as a condition of probation. In addition to, other criminal justice functions - when performed for this reason may also be referred to as community service.

Need/Importance :-

Community Service has a number of important benefits. Engaging in Community Service provides students with the opportunity to become active members of their community and has a lasting, positive impact on society at large.

Community Service or Volunteering enables students to acquire life skills and knowledge, as well as provide a service to those who need it most. There are some of the common benefits of participating in a Community Service program.

→ Psychological benefits :- Volunteering increases overall satisfaction and helps you feel good about yourself because you are helping others. It can also help to increase self-esteem and ease depression.

→ Social benefits :- Volunteering engages students with the community, creates opportunities with the population being served.

and increased social awareness and responsibility.

Participating in Community Service not only makes a difference to the organization and people being helped, but also makes a difference to every career prospect, participating in community service activities helps to enhance student resumes by allowing students to obtain work related skills prior to graduation, fields good references from employers in regards to community involvement and provides a forum to network with future potential employers. It also helps students develop civic social responsibility skills & become more aware of what their community needs.

Observations:

I observed some diseases such as Cholera, typhoid, malaria in our village because of water problems. Some people suffer with illness due to lack of water and drinking water from ponds.

lakes etc. water resources are very important and we must use water resources carefully.

Precaution:

- * we can drink good water like mineral water.
- * the people who use the well should observe certain precaution to ensure the quality of the water.
- * washing of clothes & animals in the surrounding of the well should be prohibited.

Conclusion:

I had ultimately learned how to be more patient and to work productively. The journey from the right beginning that is deciding how to help the community (society) to open a better place. what activities will be suited to my surrounding keep all the people in mind i proposed and open activities, that are providing food to the every animals, plantation in public parks creating a local park. I will ever promote the idea of community development and a general responsibility for all.

"WATER FACILITIES AND DRINKING WATER AVAILABILITY"
Questionnaire for the Project

1. What type of Water System do you have:
a) Own Tap with overhead tank b) Underground water well/bore c) Community
2. What type of water do you use for drinking a) Mineral Water b) Tap Water c) Ground Water
3. How do you evaluate the quality of your drinking water
a) Very Good b) Satisfactory c) Dissatisfied
4. Do you drink water from Outside : a) At hotels b) Other Places c) No
5. What kind of Sewage System do you have
a) In house pit
b) Drainage System
c) Polluted Water is driven into open space i.e; Ground etc
6. How do you wash up/take bath
a) By running water under tap b) Use bucket and Mug c) Shower/Sauna
7. What kind of washroom do you use: a) Flush b) Bucket/Mug c) ODF
8. How much Water do you use for a day: a) 20lit b) 30lit c) 40lit d) More
9. Do you experience water shortages
a) No b) Rarely c) Almost every year d) It is constant problem
10. Do you have water conservation methods: a) Pits b) Community action c) Others
11. Are you suffering any water borne diseases: a) Malaria b) Cholera c) Scabies Typhoid
12. Does the water you use is a) Fluoride water b) Hard water c) None
13. How often do you clean water storage tanks per year
a) Once b) 2-3 times c) 4 times d) >6 times
14. Are you interested to learn Water conservation methods: Yes/No
15. How much water is used in your family per a day
a) 60lit b) 80lit c) 100lit d) More
16. How much water is used for drinking (only) in your total family per a day
a) 30 lit b) 40 lit c) 50 lit d) none
17. Is there any RO System (water plant) in your village: yes/no
18. How many RO System (water plant) are there in your village :
a) 1 b) 2 c) 3 d) None
19. What type of Water bodies are there in your village
a) Pond b) Lake c) River d) a or b
20. Is your village comes under coastal area: yes/no

Title of the Project
"WATER FACILITIES AND DRINKING WATER AVAILABILITY"
Questionnaire for the Project

1. What type of Water System do you have:
a) Own Tap with overhead tank b) Underground water well/Bore.c) Community Tap
2. What type of water do you use for drinking a) Mineral Water b) Tap Water c) Ground Water
3. How do you evaluate the quality of your drinking water
a) Very Good b) Satisfactory c) Dissatisfied
4. Do you drink water from Outside : a) At hotels b) Other Places c) No
5. What kind of Sewage System do you have
a) In house pit
b) Drainage System
c) Polluted Water is driven into open space i.e: Ground etc
6. How do you wash up/take bath
a) By running water under tap b) Use bucket and Mug c) Shower/Sauna
7. What kind of washroom do you use: a) Flush b) Bucket/Mug c) ODF
8. How much Water do you use for a day: a) 20lit b) 30lit c) 40lit d) More
9. Do you experience water shortages
a) No b) Rarely c) Almost every year d) It is constant problem
10. Do you have water conservation methods: a) Pits, b) Community action c) None
11. Are you suffering any water borne diseases: a) Malaria b) Cholera c) Scabies, d) Typhoid
12. Does the water you use is a) Fluoride water b) Hard water c) None
13. How often do you clean water storage tanks per year
a) Once b) 2-3 times c) 4 times d) >6 times
14. Are you interested to learn Water conservation methods: Yes/No
15. How much water is used in your family per a day
a) 60lit b) 80lit c) 100lit d) More
16. How much water is used for drinking (only) in your total family per a day
a) 30 lit b) 40 lit c) 50 lit d) none
17. Is there any RO System (water plant) in your village: yes/no
18. How many RO System (water plant) are there in your village :
a) 1 b) 2 c) 3 d) None
19. What type of Water bodies are there in your village
a) Pond b) Lake c) River d) a or b
20. Is your village comes under coastal area: Yes/No

Title of the Project

"WATER FACILITIES AND DRINKING WATER AVAILABILITY"

Questionnaire for the Project

1. What type of Water System do you have:
a) Own Tap with overhead tank b) Underground water well/bore c) Community Tap
2. What type of water do you use for drinking a) Mineral Water b) Tap Water c) Ground Water
3. How do you evaluate the quality of your drinking water
a) Very Good b) Satisfactory c) Dissatisfied
4. Do you drink water from Outside : a) At hotels b) Other Places c) No
5. What kind of Sewage System do you have
a) In house pit
b) Drainage System
c) Polluted Water is driven into open space i.e; Ground etc
6. How do you wash up/take bath
a) By running water under tap b) Use bucket and Mug c) Shower/Sauna
7. What kind of washroom do you use; a) Flush b) Bucket/Mug c) ODF
8. How much Water do you use for a day: a) 20lit b) 30lit c) 40lit d) More
9. Do you experience water shortages
a) No b) Rarely c) Almost every year d) It is constant problem
10. Do you have water conservation methods: a) Pits b) Community action c) None
11. Are you suffering any water borne diseases: a) Malaria b) Cholera c) Scabies d) Typhoid
12. Does the water you use is a) Fluoride water b) Hard water c) None
13. How often do you clean water storage tanks per year
a) Once b) 2-3 times c) 4 times d) >6 times
14. Are you interested to learn Water conservation methods: Yes/No
15. How much water is used in your family per a day
a) 60lit b) 80lit c) 100lit d) More
16. How much water is used for drinking (only) in your total family per a day
a) 30 lit b) 40 lit c) 50 lit d) none
17. Is there any RO System (water plant) in your village: yes/no
18. How many RO System (water plant) are there in your village :
a) 1 b) 2 c) 3 d) None
19. What type of Water bodies are there in your village
a) Pond b) Lake c) River d) a or b
20. Is your village comes under coastal area: yes/no

Title of the Project

"WATER FACILITIES AND DRINKING WATER AVAILABILITY"

Questionnaire for the Project

1. What type of Water System do you have:
a) Own Tap with overhead tank b) Underground water well/bore c) Community Tap
2. What type of water do you use for drinking a) Mineral Water b) Tap Water c) Ground Water
3. How do you evaluate the quality of your drinking water
a) Very Good b) Satisfactory c) Dissatisfied
4. Do you drink water from Outside : a) At hotels b) Other Places c) No
5. What kind of Sewage System do you have
a) In house pit
b) Drainage System
c) Polluted Water is driven into open space i.e; Ground etc
6. How do you wash up/take bath
a) By running water under tap b) Use bucket and Mug c) Shower/Sauna
7. What kind of washroom do you use: a) Flush b) Bucket/Mug c) ODF
8. How much Water do you use for a day: a) 20lit b) 30lit c) 40lit d) More
9. Do you experience water shortages
a) No b) Rarely c) Almost every year d) It is constant problem
10. Do you have water conservation methods: a) Pits b) Community action c) None
11. Are you suffering any water borne diseases: a) Malaria b) Cholera c) Scabies d) Typhoid
12. Does the water you use is a) Fluoride water b) Hard water c) None
13. How often do you clean water storage tanks per year
a) Once b) 2-3 times c) 4 times d) >6 times
14. Are you interested to learn Water conservation methods: Yes/No
15. How much water is used in your family per a day
a) 60lit b) 80lit c) 100lit d) More
16. How much water is used for drinking (only) in your total family per a day
a) 30 lit b) 40 lit c) 50 lit d) none
17. Is there any RO System (water plant) in your village: yes/no
18. How many RO System (water plant) are there in your village :
a) 1 b) 2 c) 3 d) None
19. What type of Water bodies are there in your village
a) Pond b) Lake c) River d) a or b
20. Is your village comes under coastal area: yes/no

Name of the Student : Rajala - Jhnavi Register No 1626

: Semester / Year/Course/Group : 3rd sem 2nd year (M.P.S)

Name of the Guide/Mentor and Department :

Community Social Service Project - Socio Economic Survey

1. Address of the family :

2. Family Details :

S.NO	Name of The Person	Gender	Age	Education	Profession
1.	<u>Naaji - prasad</u>	<u>male</u>	<u>55</u>	<u>B.Tech</u>	<u>Specialist Scientist</u>
2.	<u>Naaji - Radha</u>	<u>Female</u>	<u>45</u>	<u>-</u>	<u>Housewife</u>
3.	<u>Naaji - Abhishek</u>	<u>male</u>	<u>25</u>	<u>Degree</u>	<u>Job holder</u>
4.	<u>Naaji - Anshika</u>	<u>Female</u>	<u>19</u>	<u>Degree 1st</u>	<u>-</u>

3. Social Status details : i) Caste : ST (SC/ST/BC-A/B/C/D /OC)

ii) Religion : Hindu

4. Economic Status details :

i) Type of House Building : Hut/semi pucca/pucca/apartment/bungalow/rented or own

ii) Availability of Agricultural land : Yes/No if yes 150 acres.

iii) Names of crops : wheat

iv) Cattle : - cows - ox - buffaloes - sheep/goats

v) Do you have own toilet : Yes/No

vi) Type cooking fuel used : LPG/Kerosene/Electricity/wood/others specify -

vii) Do you have vehicle : two wheeler/ auto/car/any other vehicle -

5. Health Details :

i) Diseases in family : -

ii) Do you have Government Arogya Sri Card : Yes/No

6. Other details :

i) Do you have TV : Yes/No

ii) Do you have Dish connection : Yes/No

iii) Channels watched regularly : 1. Maa 2. Abnag 3. Zee/ehugr

iv) Do you have Mobile : Yes/No, Mobile number: 9866 515944 Laptop: yes/no; internet availability : Yes/No

v) Is internet available at home : Yes/No

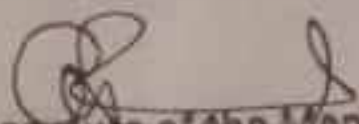

7. Name of the Govt. Schemes received :

Jagananna Vidhya Deevena/Jagananna Vasatl Deevena / Ralthu Bharosa / Any other :

8. Any three problems faced in the village : no problem

Place : Reddihalli

Date : 1/6/23
