### Objective of the Activity Done:

Surveying & collecting Demographic Data

### Detailed Report:

In this second week, we continued surveying the remaining houses in Makavatom [village]. Our survey had ended in the weekend.

When compared to first week, we had lot of experiences with villages while conducting survey in community.

The experiences are:-

- Communities are still believing superstitions.
- They do not have awareness on the social media news. They are following and knowing fake news.
- During survey, we have seen only small children, elders aged above 30 years and old aged people.
- Many young people are went to far places for education and employment.
- Still people are living in segregations as per their communities in Habitat.
- There are 6 families who don't work, but leading their life with pension amount provided by government.
- Agriculture, cattle rearing & daily waged work are sources of income.
